This guide was developed by the Department of Air Quality for workers in Downtown Kansas City, Kansas. Our intent is to reduce pollution during ozone season, April 1 through October 31, by reducing the number of cars on the road. We encourage you to check out these local establishments by walking or borrowing one of the two Clean Commute bikes available in our office, located on the 3<sup>rd</sup> floor of the Public Health Department. I hope the guide is useful, Enjoy!!
