

LAND BANK INVENTORY - DISTRICT 6

The Land Bank Board of Trustees and the Unified Government's Development Department will annually, and as needed, identify development areas which are actively being developed. Any Land Bank properties in these particular geographical areas will be held for the developer(s) for that area. Any Application properly submitted for Home Construction, will move forward to the Land Bank Advisory Board for consideration. Any Land Bank parcels in actively developed areas will be marked as "not available for purchase" in the Land Bank published inventory list. An (*) will be placed next to the parcel number to indicate Land Bank properties in development areas.
