FOR IMMEDIATE RELEASE

April 25, 2017

## Public Hearing on Indian Springs Development Canceled

The Unified Government Board of Commissioners will not hold a public hearing on the development proposal for the former Indian Springs Mall site this Thursday as first planned.

The public hearing is not needed at this time because the developer has withdrawn the proposal for a 26-acre flex-tech business park on the southern portion of the site.

After conducting several community meetings in April, it has been determined that the flex-tech proposal is not right for this location at this time.

Unified Government officials and the developer will now look at what the next steps should be for finding a workable development for the former Indian Springs Mall site.
