The WCLB may facilitate the transfer of property at a reduced price to selected contractors. This program allows the purchase of vacant, blighted homes, once they are available in the WCLB inventory.

Program Goals

The WCLB Property Renovation Program supports efforts to stabilize and strengthen neighborhoods through collaboration between public, private, and nonprofit development partners. Through the program and working with development partners to rehabilitate blighted property, the WCLB will:

- Create affordable ownership opportunities to stabilize neighborhoods
- Engage responsible developers to increase the capacity for large-scale development
- Improve the health, safety, durability and energy-efficiency of rehabilitated properties through the WCLB Housing Standards
