MEMORANDUM

June 1, 2017

TO: All UG Elected Officials, UG Appointed Officials and UG Employees

FROM: Ruth M. Benien, Ethics Administrator

SUBJECT: Permitted and Prohibited Political Activities

In preparation for the upcoming Unified Government elections and the end of the filing deadline for the same, the Ethics Commission and the Unified Government remind all elected and appointed officials and employees of the Unified Government of prohibited and permitted political activities under the UG Ethics Code.

Political affiliation or support is not a condition of employment with the Unified Government. Please note in particular the bullet point at the bottom of page one and the bullet point and next paragraph and subpoints at the top of page two. As indicated no employee or official should be soliciting or voluntarily requesting or receiving any voice mails, emails, etc. on their “573” number or UG email. If anyone receives any unsolicited “robo” calls or emails of a political nature (and this includes all state and federal elections) those should be forwarded only to this Office for action or follow-up and immediately deleted, not saved or forwarded to personal or other UG telephone numbers or emails.

While on duty, including breaks, or in the offices or on the property of the Unified Government, while using equipment or materials of the Unified Government, including tablets, computers, telephones or other electronic equipment or vehicles, or while representing himself or herself as an official or employee of the Unified Government, or while wearing a uniform generally associated with the Unified Government, an official or employee shall not:

**Note:**
The Unified Government Human Resources Guide also contains specific provisions with respect to voting. That policy states generally that “Employees who desire to vote are expected to do so before or after their workday or on their own time.” An exception is allowed for time off to vote for employees who are required to work before 9:00 a.m. and to remain at work after 5:00 p.m. If your work hours fall within those parameters please consult the policy and/or Human Resources. The policy does ask that employees exercising that option try to request the time off in advance of election day, if possible. (Unified Government Human Resources Guide 5.10 Time Off to Vote).

As an individual citizen, not representing oneself as a Unified Government official or employee, on one’s own time, off Unified Government property, and out of uniform, and not during breaks while on duty, an official or employee may:

• Take an active part in the work and management of any political campaigns.
• Solicit, receive, or account for funds for a political purpose.
• Solicit votes in support of, or in opposition to, a political party’s office.
• Initiate or circulate a nominating or recall petition.
• Serve as a delegate, alternate, or proxy to a political party convention.
• Drive voters to the polls on behalf of a political party or candidate.
• Endorse or oppose a candidate for public or political office in a political advertisement broadcast, campaign literature, or similar material.

If an official or employee has a question about his or her conduct or that of another representative of the Unified Government and whether it may violate the Code, all officials and employees are reminded the UG Code of Ethics allows anyone to seek an advisory opinion from the Ethics Administrator. Complaints about the conduct of any employee or representative of the Unified Government may be made confidentially and anonymously, if desired, by contacting the Ethics Administrator on the Ethics Hotline number at (913) 621-3294 or at the Ethics Commission email at ethics.wycokck@gmail.com.
