

Unified Government Public Health Department

619 Ann Avenue, Kansas City, KS 66101

913-573-6710

Childhood Immunization Clinics are open:

Monday, Tuesday, Wednesday & Friday

8:30 a.m. - 4:00 p.m.

Thursday

8:30 a.m. - 11:00 a.m. & 3:00 p.m. - 6:30 p.m.

What do I need to bring so my child can receive vaccines?

- ❖ Always bring your child's shot record
- ❖ Parent or guardian should come with the child
- ❖ Bring proof of health insurance

Does my child need an appointment?

No, all immunization clinics are on a first come first served basis.

Can any child receive vaccines at the health department?

Immunizations at the health department are only for those children who qualify based on state and federal vaccine eligibility guidelines.

Is there a fee?

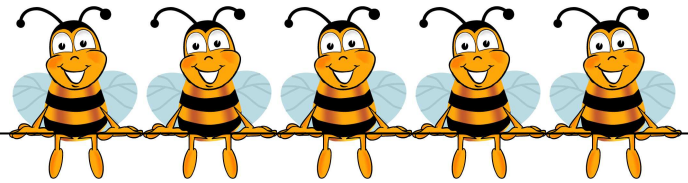

There is a \$14.80 administration fee for each immunization.

When does my child need his/her vaccines?

Infants need immunizations at birth, 2, 4, 6, 12 and 18 months of age. By the time your baby is 18 months old, your baby should have completed the primary series of shots.

Preschool and Kindergarten ages 4-6 This is a time where vaccine booster doses are needed. Many of these vaccines are required for school entry.

Ages 11-18 Adolescence is an age where new vaccines or boosters are recommended. Tetanus, diphtheria, pertussis, chickenpox, hepatitis B, hepatitis A, meningococcal and HPV for females are all diseases your adolescent should be protected against.
