

KANSAS CITY KANSAS MUNICIPAL COURT ZOOM INSTRUCTIONS

Please be advised:

Upon entering your Zoom hearing, you will be placed into a waiting room and you will be muted – please be patient as there will be numerous groups of cases to hear. When the Judge is ready, you will be moved from the waiting room, into the hearing – usually as a group – to appear in front of the Judge, just as you would if you were appearing in a court room. Immediately prior to the Judge beginning, you will receive an advisement. The Judge will then speak with each defendant (one at a time).

*Note – the Meeting Passcode is: **102020**
