Kansas Housing Resources Corporation

NEW REBATE PROGRAM REWARDS CONSUMERS FOR RECYCLING OLD, ENERGY HOG APPLIANCES

Topeka – Kansas Housing Resources Corporation (KHRC) has launched a new appliance rebate program that rewards low-income households for replacing old, electricity-guzzling household appliances with new energy efficient models. The State Energy Efficient Appliance Replacement Program, or SEEARP, provides rebates to consumers who purchase ENERGY STAR® refrigerators, clothes washers, freezers, dishwashers and window air conditioners. Funded by the American Recovery and Reinvestment Act (ARRA) of 2009, SEEARP will provide \$2.6 million for the replacement of an estimated 4800 appliance.

Rebate vouchers will not be issued until after January 15th, 2010

SEEARP will be administered within the existing structure of the Weatherization Assistance Program and the Low Income Energy Assistance Program. These programs are funded by U.S Department of Energy and the U.S. Department of Health and Human Services, respectively. Both programs serve low-income individuals and families. For more information, please call our recorded information line at 785-296-8440 or visit KHRC's website at www.kshousingcorp.org.

A Legendary Light Show

November 21st - January 5th

Every 15 minutes, The Legends will come alive with dancing lights synchronized to concert-quality, holiday music, providing guests an experience unlike anything they have seen before. This dazzling spectacle is the region's first display of animated lights synchronized to music. The majestic, 45-foot, holiday tree will continue to stand in the center of the Civic Courtyard Fountain, which is the focal point of the shopping center. The musical show in the center courtyard will take place at the top and bottom of every hour. A second show will be featured at a quarter after and a quarter till the hour at the new holiday tree and display located near Helzberg Diamonds. The entire shopping center is adorned with majestic holiday displays, including larger-than-life wreaths, garland wrapping light poles and single giant holiday ornaments.

Learn to conserve Energy**

Learn to conserve Energy Mr. Richard Mabion has partnered with The Sierra Club-Kansas City Chapter to promote energy efficiency and conservation to citizens in Wyandotte County.

The programs goal is to help families save money on their energy bills. Energy efficiency is nothing new, but with the struggling economy and fuel prices continuing to rise, you may be looking for additional ways to save. Mr. Mabion would like to educate the residents in your neighborhood.

Feel free to contact Mr. Mabion at 913-481-9920 or email him at rmabion@sbcglobal.net. He would be glad to speak at your neighborhood meeting.

2010 Census Jobs

The U.S. Census Bureau is recruiting temporary, part-time census takers for the 2010 Census. These short-term jobs offer good pay, flexible hours, paid training, and reimbursement for authorized work-related expenses, such as mileage incurred while conducting census work. Best of all, census takers work right in their own communities.

Census taker jobs are excellent for people who want to work part-time, those who are between jobs, or just about anyone who wants to earn extra money while performing an important service for their community. Call 1-866-861-2010 for additional information or visit us on the web www.2010censusjobs.gov.
