The Livable Neighborhoods mission is to improve the quality of life in our community through organized neighborhood and government partnerships that provide information, training, resources and a forum for open discussion.

THE PURPOSE OF LIVEABLE NEIGHBORHOODS IS:

- To develop strategies for building better neighborhoods.
- To identify problems and seek solutions by bringing together neighborhood leaders and local government representatives.
- To create working partnerships that provide a positive impact on the livability of our neighborhoods.
- To strive to recommend programs and initiatives that will empower, rebuild and revitalize our community.

The Livable Neighborhoods Taskforce was originally created through a partnership of citizens and local government officials to address three areas of common concern: code enforcement, reduction of crime and delinquent taxes.

Livable Neighborhoods Taskforce meets regularly on the fourth Thursday of every month (with the exception of November and December) at 8:30 a.m. at the Neighborhood Resource Center, 4953 State Ave. The meetings provide informational speakers along with opportunities for open discussion on community-wide issues and innovative successful programs.

Livable Neighborhoods Task Force is committed to providing support and assistance to help promote the establishment of organized neighborhood groups.

Livable Neighborhoods Task Force is funded by Community Development Block Grants.
NBR is a Neighborhood Business Revitalization Organization. There are currently eight NBR organizations in Kansas City, KS. The NBR’s have entered into a contract with the Unified Government (UG) to provide a scope of services to residents, businesses and neighborhood groups. They are nonprofit organizations formed with a Board of Directors. Each NBR works within a specific set of geographic boundaries. They provide services in the following areas: resource and advocacy, neighborhood group support, youth programming, minor home repair for seniors and disabled, revitalization efforts, cleanups, crime prevention and economic development.

COMMUNITY RESOURCES

NEIGHBORHOOD RESOURCE CENTER (NRC)
The Neighborhood Resource Center was established through a partnership between neighborhood groups and the UG to improve services to neighborhoods. More information regarding the Neighborhood Resource Center can be found on the UG website.

wycokck.org

BUSINESS LICENSE AND ENFORCEMENT SERVICES
Business License is responsible for the billing and collection of occupation taxes for businesses. This division also issues regulatory permits and licenses including those for the sale of alcoholic beverages, garage sales, coin operated amusement devices and taxicabs.

Call 573-8780

BUILDING INSPECTION
Building Inspection handles permits and inspections for building, electrical, plumbing, mechanical, demolition and excavating.

Call 573-8620

RENTAL LICENSING AND INSPECTION
The purpose of the Rental Licensing and Inspections Division is to protect the public health, safety and general welfare of occupied rental dwellings and the surrounding community. It protects the character and stability of residential areas; corrects and prevents housing conditions that adversely affect or are likely to affect the life; ensures safety, general welfare and health including physical, mental and social wellbeing of persons occupying dwellings; enforces minimum standards; preserves the value of land and buildings; and protects the public from increased criminal activity that tends to occur in residential areas that are unstable due to dwellings that are blighted or substandard.

Call 573-8649

CODE ENFORCEMENT
The Code Enforcement Division is responsible for enforcement of the property maintenance codes. The mission of Code Enforcement is to enhance the level of public safety and city aesthetics through effective enforcement of city ordinances and to ensure due process for each citizen of Wyandotte County and KCK.

Call to find out who the code inspector is for your neighborhood.

Call 573-8600

DEMOLITION
The Demolition Program Division promotes the safety of the community through razing of blighted structures that are hazardous, abandoned or structurally unsound.

Call 573-8647

NRC E-LINK: ACCESSING NEIGHBORHOOD RESOURCE CENTER DATA ONLINE
The NRC E-Link is a website that provides up-to-date information for code enforcement complaints, building inspection and demolition permits, rental and business licenses and some planning applications.

From the UG website, go to Online Services and click on NRC E-Link.

mauwi.wycokck.org/citizenaccess

COMMUNITY POLICING UNIT
The unit works together with the community to identify and solve neighborhood crime and quality of life issues. The unit has assisted with organizing and continuing support for neighborhood groups.

Community Policing officers regularly attend neighborhood watch meetings; business/merchant association group meetings; and meet with citizen activists, church leaders and other public service agencies and providers. In an effort to improve the overall quality of life in KCK, the officer’s network with other police departments and governmental agencies to address crime, blight and overall neighborhood concerns.

Each community policing officer is assigned to a specific area of the city. Call to find out who your community policing officer is.

Call 573-8720

OPERATION BRIGHTSIDE: GRAFFITI
If you see graffiti on a property you can report it by calling the Code Enforcement Department. Please give them the address if you can (see page 11 for more information).

Call 573-8600

OPERATION BRIGHTSIDE: NEIGHBORHOOD CLEANUPS
Call for resources and information on organized neighborhood cleanups.

Call 573-8735

Complaint Hotline:
Call 573-8911

After 5 p.m. weekends or holidays:
Call 596-3000

Animal Services Shelter is closed on holidays recognized by the UG.
COMMON CODE VIOLATIONS

CODE ENFORCEMENT PROCESS
Complaints are received from community members, neighborhood groups, the police department and UG staff. Each complaint received is logged into the computer system and the complaint is then assigned to a Code Officer. Each officer is responsible for a different area of the city. Complaints are logged as they are received and are added to the inspector’s route sheet. The inspector will then do an initial inspection.

Research is done on ownership and property history. Notification is then sent to all interested parties and an appropriate amount of time is given to address the issue. The amount of time is dependent on the type of violation.

A re-inspection date is scheduled when generating the letter and the property is inspected unless the homeowner has called and asked for an extension.

Once the case is corrected it is closed. If the case is not corrected, the codes officer can issue a court summons or give an extension if an effort has been made but not yet completed.

TOP CODE ISSUES
- Excessive grass and weeds over 8 inches tall
- Structural dilapidation (painting, windows, unsecured residence, roofs)
- Junk and trash strewn about the property
- Trash set out to curb improperly (Trash cans can be set out no earlier than 4 p.m. the night before scheduled trash pickup. Trash cans need to be picked up no later than 7 a.m. the following day.)
- Dead trees and limbs that need disposed of or removed
- Illegal vehicles (not having tags, parked on grass, inoperable)
- Graffiti

WHAT TO DO IF YOU RECEIVE A VIOLATION
If you have received some type of notice from the Code Enforcement office, there will be an inspector’s name and number on the document. Please contact them as soon as possible for any needed clarification or if you have any questions. Also let them know of any extenuating circumstances that would make it difficult for you to comply and they will be willing to accommodate any reasonable requests. If you reach their voicemail, please leave a message and they will return your call. Remember, the inspectors spend a great deal of time outside the office, so please be patient when waiting for a response.

RESOURCES
The Home Repair Coalition coordinates resources and services to ensure that low-income, disabled or elderly homeowners can enjoy healthy, safe and comfortable home environments. It is a collaboration of 14 organizations that provide housing repairs for individuals and families. Together, we make it possible for homeowners to thrive in the homes they have grown to love, now and in the future. If you would like to join the coalition or are in need of assistance with home repair, please call us.

573-8737

NRC E-LINK
The Neighborhood Resource Center E-Link is a website that provides up-to-date information on code enforcement complaints, building inspection permits, demolition permits, rental licenses, business licenses and some planning applications. To access the NRC E-Link go to wycokck.org under the Neighborhood Resource Center.

mauwi.wycokck.org/citizenaccess
Streets

HOW CAN I GET A POTHOLE FIXED NEAR MY HOUSE?

Potholes cannot be permanently repaired when the ground is frozen. The UG fixes the pothole temporarily within three days and makes a permanent repair as soil conditions permit.

Call 3-1-1

WHAT IF MY STREET NEEDS MORE THAN JUST A FEW POTHOLES PATCHED?

Residents may submit requests that will be considered for prioritization in the annual resurfacing program. Due to limited funding, several years may elapse between reporting and resurfacing.

Call 3-1-1

WHAT ABOUT MAINTENANCE OF THE SIDEWALKS AND CURBS IN FRONT OF MY HOUSE?

The UG will share the cost with owner for reconstruction of sidewalk and reconstruction or new installation of curbs. The sidewalk program is available to an individual homeowner or business. To qualify, the work must have a permit and be inspected during construction. Ask about "sidewalk incentive program." The curb program requires cooperation among a majority of owners along one side of a block to form a benefit district. The UG sometimes replaces curbs and sidewalks at no expense to the owners when reconstructing a major street.

Call 3-1-1

WHO IS RESPONSIBLE FOR SNOW REMOVAL?

The UG clears travel lanes of a street as soon as possible after a snowfall. In order to clear all public streets rapidly and cost-effectively, a ridge of snow is left by the plow at the side of the travel lane. Homeowners are responsible for clearing this ridge from their own driveways.

Call 3-1-1

Solid Waste Disposal

HOW SHOULD I PREPARE MY TRASH FOR PICKUP?

All trash should be set 3 feet from the curb. Trash may be in closed bags or cans. Trash cans must be smaller than 50 gallon capacity and weigh less than 50 pounds. Bulky items, such as furniture, beds, washers or dryers, should be set next to the trash cans. Limbs and twigs must be bundled and no longer than 48 inches. Tires must be removed from rims and set at the curb for pickup. There is a limit of two tires per week per residence.

Call 3-1-1

WHAT ABOUT MAINTENANCE OF THE SIDEWALKS AND CURBS IN FRONT OF MY HOUSE?

The UG will share the cost with owner for reconstruction of sidewalk and reconstruction or new installation of curbs. The sidewalk program is available to an individual homeowner or business. To qualify, the work must have a permit and be inspected during construction. Ask about "sidewalk incentive program." The curb program requires cooperation among a majority of owners along one side of a block to form a benefit district. The UG sometimes replaces curbs and sidewalks at no expense to the owners when reconstructing a major street.

Call 3-1-1

WHO REPLACES THE BULBS IN STREETLIGHTS?

The Board of Public Utilities (BPU) replaces burned-out light bulbs.

Call 573-9522

HOW DO I GET A STREET LIGHT INSTALLED IN MY NEIGHBORHOOD?

The UG will evaluate whether a new streetlight is justified and will prioritize the request. It takes two weeks for the evaluation. Installation by BPU can take up to six months.

Call 3-1-1

THERE ARE SOME TRAFFIC SIGNS THAT I CAN’T READ. CAN I GET THEM REPLACED?

The UG replaces faded, damaged or missing stop and yield signs within 24 hours of notification. Other traffic signs will be replaced within 48 hours following notification.

Call 3-1-1

CAN WE CLOSE OUR STREET FOR A BLOCK PARTY?

The UG issues permits for block parties and special events. A petition signed by a majority of the residents or businesses adjoining the street to be closed is required. There is a permit fee. Please allow two weeks for processing.

Call Traffic Engineering 573-5770

WHERE CAN I DISPOSE OF HOUSEHOLD HAZARDOUS WASTES?

Household hazardous wastes include motor oil, batteries, antifreeze, degreasers, lawn and garden insecticides/pesticides, household cleaning products, paints, varnishes and solvents. Do not throw these out in the trash or dump them in the sewer. These...
products should be taken to 2443 S. 88th St. There is one collection a day each month from April through October. Please call Solid Waste for dates and times.

WHAT ITEMS CAN I RECYCLE FOR CURBSIDE PICKUP?
Paper, paperboard, aluminum and steel cans, corrugated cardboard, cartons (milk or juice) and assorted plastic containers No. 1-No. 7.

I KNOW THAT SOME REFRIGERANTS HARM THE OZONE LAYER, HOW SHOULD THESE BE DISPOSED?
Arrange for a special pickup for appliances that have refrigerants in their systems, such as refrigerators, air conditioners and freezers.

DO I NEED A PERMIT FOR A SHED OR CARPORT?
Yes. For any accessory building over 120 square feet, a permit is required. A shed, carport, garage or barn is considered an accessory building. Number of accessory buildings allowed is determined by zoning.

DO I GET DRIVEWAY INSTALLATION OR REPAIR PERMITS FROM BUILDING INSPECTIONS?
Driveway approaches or repairs to approaches to existing homes are issued and inspected through the City Engineers office on the 7th floor of the East Municipal Building.

DO I NEED A PERMIT TO REPLACE SIDING AND WINDOWS?
Permits for siding are required only if sheathing is replaced. Permits are required for window replacement.

HOW MUCH DOES A BUILDING PERMIT COST?
Except for new home construction, the fee is based on the cost of the project.

WHY DO I HAVE TO HIRE KCK OCCUPATIONAL TAX LICENSED CONTRACTORS?
All entities engaged in business activities in KCK, must register and pay an occupation tax for work being conducted in the city, unless specifically exempted by ordinance. Some construction activities also require master credentials and surety bonds. If the structure is not occupied by the homeowner, a registered contractor would be required to do the work. If the property owner has the knowledge, skills or expertise they could register as a construction entity to engage in the structural work themselves.

Homeowners can pull their own permits for work they do, but only in a single family home they occupy.

Homes on the demo list can’t be occupied.

Permits would have to be pulled by a registered construction entity.

Anyone can register as a construction entity and would be able to pull permits if they have the skills to make the repairs. In other words, they could register as an entity and then hire themselves to do the work.

WHO PAYS FOR THE DEMOLITION OF A PROPERTY IF THE OWNER HAS NO FINANCIAL ABILITY TO DO SO?
A portion of the UG’s main funding source is Community Development Block Grant, which is funded through U.S. Department of Housing and Urban Development. This is primarily used for residential properties meeting defined requirements. There are limited funds available for commercial properties. Once the process is completed, a special assessment is placed against the parcel of land for these expenses, and the owner is still responsible for upkeep and paying for the special assessment and taxes.

CAN I BUY A PROPERTY LISTED ON THE DEMO LIST?
Yes. The property can be purchased from the current owner, but the demolition process does continue, and the new owner will have to meet all the same requirements. The lots on the demolition list are not owned by the UG, they are privately owned.

HOW DOES A PROPERTY GET ON THE DEMO LIST?
Code Enforcement posts a substandard property as unfit and follows processes to try and have the owner repair it. If this does not happen for any number of reasons, the property can be referred for demolition. Once this is determined, the property is inspected for eligibility into the demolition program, and further legal processes take place to make the owner responsible.

LAND BANK
The Wyandotte County Land Bank is a unit of the Department of Administration. The Land Bank oversees approximately 2,000 vacant lots acquired through the Judicial Foreclosure process. The duties of this division are to put delinquent tax properties back on the tax roll through various strategies that benefit the community.

This includes marketing, removing prior year’s taxes, maintaining an inventory list, accepting parcels as donations and researching neighborhoods in Wyandotte County that contain delinquent taxes.

Call for more information or to view available properties.

Call 573-8977
The UG’s 3-1-1 Call Center network is a unique customer service proactively making every effort to provide a simple and easy three-digit access to a live person that can answer general questions about Wyandotte County.

**When calling 3-1-1:**

- To report an issue, be sure to have a specific address.
- A translation service is available to assist non-English-speaking callers.
- From outside Wyandotte County, dial 913-573-5311.
- Hours of operation are Monday-Friday, 8 a.m.-5 p.m.

DO something GOOD in your neighborhood

— Paul Sopnick

- Know your neighbors, look after them and they will look after you.
- Be respectful of those around you.
- Leash your dog and clean up after it.
- If you rent a home, help your landlord keep it looking nice.
- Take pride in your community.
- Get to know the kids in your neighborhood.
- Greet people.
- Sit on your porch.
- Plant flowers or a garden to share.
- Buy from local merchants.
- Support neighborhood schools.
- Fix it even if you didn’t break it.
- Have potlucks and picnics.
- Pick up litter even if you didn’t drop it.
- Hire young people for odd jobs.
- Organize a block party.
- Bake extra and share.
- Ask for help when you need it.
- Share your skills.
- Mediate a conflict.
- Seek to understand.
- Be civil.
