

Construction Coming Soon to Your Area

Leavenworth Road Modernization Project

63rd Street – 38th Street Improvements

Road Construction Closures & Schedule

To allow for the construction of needed storm sewer improvements for the Leavenworth Road Modernization project, Leavenworth Road will be closed to through traffic for a period of 15-days, beginning June 4th, 2018 and ending on June 19th, 2018.

During this time Leavenworth Road will be closed to through traffic between 38th Street and 55th Street. During this closure period, all residences and business will maintain access however through traffic will utilize the detour route shown on the attached figure.

What You Can Expect

Beginning the week of May 21st, 2018, message boards will be placed along Leavenworth Road notifying motorists of the upcoming closure.

Work will continue to progress on the project and you can expect to see various construction activities, including heavy equipment, earthwork, storm sewer installation, and retaining walls. The project is to be substantially complete before September 2019; however, barring adverse weather conditions or other unforeseen circumstances, the contractor currently expects to be done several months in advance of that date.

During this time, we ask that you exercise caution and be aware of both construction equipment as well as workers to ensure the safety of everyone.

Minimizing Impact

- No construction will occur on legal holidays or Sundays without prior approval.
- Daily single lane closures of Leavenworth Road should be expected.
- Access will be available to existing properties through the entire duration of the project.
