INDUSTRIAL SAMPLING NOTIFICATION FORM

Industry Name _____
Facility Address _____

Permit / Outfall Number(s) _____

Telephone / email address _____

The above industry requests that compliance sampling required in the Wastewater Discharge Permit referenced above be changed. Except for mandated grab samples (pH and cyanide for example), the remaining parameters will be sampled by:

Grab Samples Only (justification explained below)

- A. All discharges are done as batch discharges. Sampling of the batch should be representative of the entire batch
 - B. Facility operates only one shift
 - C. Other (complete the explanation below or use back of this form)
- _____

Time-Composite Sampling Only

- D. Expense for installation/rental of flow-composite equipment is too expensive for this industry
 - E. Other (complete the explanation below)
- _____

Submitted by

Date

Continue to do sampling as described in your permit until you receive confirmation from Water Pollution Control.
