**Public Health**  
Prevent. Promote. Protect.

# COVID-19

## Home Delivery of Supplies

- CAR program offered home delivery of:
  - Food
  - Cleaning supplies
  - PPE

# COVID-19 Other Efforts

- Contact tracing
- Testing
- Communications
- Mass vaccination site  
-The Legends
- UGPHD COVID-19 vaccine clinic

## Transportation Assistance Program (TAP) **Free Rides to Community and Social Services**

- Door-to-door transportation assistance for community members to healthcare appointments, social services, grocery store, etc.
- Past funding from Health Forward Foundation
- Will be ARPA-funded as of July 1.

**GetConnectedWyco.org**

**Public Health**  
Prevent. Promote. Protect.

# Substance Abuse

- New UGPHD Substance Abuse Program Coordinator is now on board.
  - Building a team for this initiative
  - Will develop programs & policies
- A particular focus of these efforts will be substance abuse among youth.
- More updates as more details are available.

**Overdoses increased last year**

**More than 25% of overdoses since 2020 were among people age 20 and younger**

# WIC

## Special Supplemental Nutrition Program for Women, Infants, and Children

- Supplies for WIC clients at community events and office visits
  - Hygiene and personal care items for any WyCo WIC clients
  - Support for clients who are breastfeeding, like breast pumps for people who are uninsured, and a breastfeeding care kit offered at in-person visits.

**Public Health**  
Prevent. Promote. Protect.

# Health Education

- Launched Community Health Education Program,
  - Education and outreach on a wide variety of health-related issues throughout the community.
- Outreach at 14 events to date in Bonner Springs and Edwardsville in 2021 and 2022
  - Presentations at local businesses and organizations, educational tables at events, etc.

**AMERICAN RESCUE PLAN ACT**

# Other Projects

Projects benefitting Bonner Springs & Edwardsville with partial ARPA funding or other COVID funding

**Public Health**  
Prevent. Promote. Protect.

# CHIP

## Community Health Improvement Plan

- The CHIP plan was developed to improve health outcomes throughout Wyandotte County
- Multi-sector group of stakeholders collaborate to implement 5-year Plan.
- 4 key focus areas, each with a lead agency

**Jobs & Education**

Led by Wyandotte Economic Development Council

WYANDOTTE  
ECONOMIC DEVELOPMENT COUNCIL  
Bonner Springs • Edwardsville • Kansas City, KS

**Health Care Access**

Led by Vibrant Health

VIBRANThealth

**Safe & Affordable Housing**

Led by Cross-Lines

CROSS-LINES  
COMMUNITY OUTREACH, INC.

**Violence Prevention**

Led by Metropolitan Organization to Counter Sexual Assault

MOCOSA  
Metropolitan Organization to Counter Sexual Assault

# CHIP

## Community Health Improvement Plan

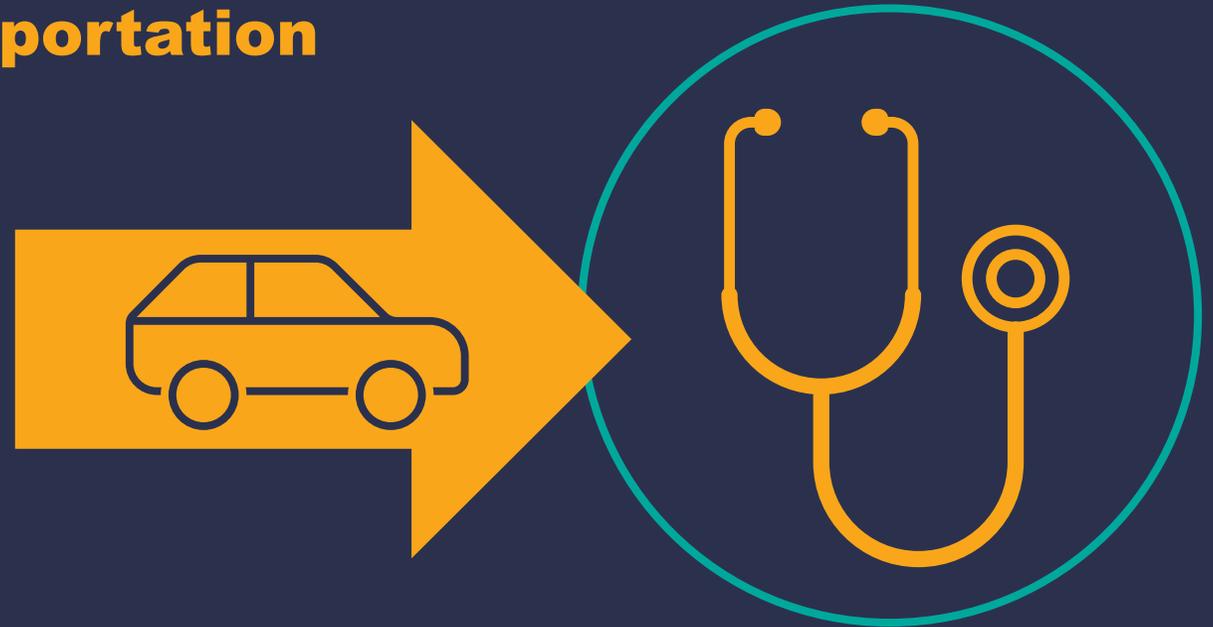

- ARPA dollars provide core support for the CHIP initiative, versus actual project development support.
- Several projects developed by CHIP benefit Bonner Springs and Edwardsville residents.

**Public Health**  
Prevent. Promote. Protect.

## WyCo Health Link Non-Emergency Medical Transportation

- Free rides to appointments at safety-net clinics
- Serving people who live in WyCo
  - Regardless of income, insurance coverage or immigration status
- Partnership with UG Transportation Department and local safety-net clinics

# CHIP

## Business ESL Program

- Goal: reduce language barriers for Wyandotte County workforce who don't speak English as their first language
- Instruction at workplace, during workday; participating businesses cover wages for this
- Participants are matched with a mentor at work
- Cooperative program between KCKCC, WYEDC, UGPHD and participating companies

## WyCo Connect

# Community Health Worker Program

- Coordinated by Community Health Council of Wyandotte County (CHC)
- 2 full-time Community Health Workers (CHWs) assigned to Western Wyandotte
  - One stationed at Bonner Springs City Hall 8 hours/week
- In 2021, served 232 clients in Western Wyandotte
  - 37 people received MARC Direct Assistance (help with medical bills, housing bills, transportation, etc.). Total: \$24,146.74

## Community Health Workers...

- Serve communities that experience language, income, or other barriers to healthcare and wellbeing.
- Are members of the communities they serve.
- Educate people on health issues
- Connect people to free resources
- Help people navigate health systems
- Support individuals to address physical, mental, social, economic, and healthcare needs

**Public Health**  
Prevent. Promote. Protect.

**AMERICAN RESCUE PLAN ACT**

# What's Next?

**Public Health**  
Prevent. Promote. Protect.

## Future ARPA Projects

- Low Income Legal Assistance
- Mobile Grocer
- Mobile Medical Clinic
- More details to come on additional projects!

## Next Steps

- UGPHD is always looking for new partners and ideas – if you have people or organizations in your community who would like to be involved, let us know!
- How can we help you communicate this information to your constituents?

**Public Health**  
Prevent. Promote. Protect.

**AMERICAN RESCUE PLAN ACT**

# Questions?

**Public Health**
