I. Purpose

This Plan is intended to promote revitalization through the rehabilitation, conservation, or redevelopment of designated Areas in order to protect the public health, safety, and welfare of Wyandotte County residents. More specifically, a tax rebate incentive will be available for certain improvements within the designated Areas.

In accordance with the provisions of the Neighborhood Revitalization Act (NRA), K.S.A. 12-17, 114 et seq., the Unified Government Commission has held a public hearing and considered the existing conditions and alternatives, with respect to the designated Areas, the criteria and standards for a tax rebate, and the necessity for interlocal cooperation among other taxing units. Accordingly, the Commission has carefully reviewed, evaluated, and determined the Areas meet one or more of the conditions to be designated as a “neighborhood revitalization area.”

Interlocal cooperation between the Unified Government, Kansas City Kansas Unified School District 500, Turner Unified School District 202, Bonner Springs/Edwardsville School District 204, and the Kansas City Kansas Community College is a requirement for the implementation of the Plan. Therefore, the effective eligible date is January 1, 2021.

VI. Criteria for Determination of Eligibility

1. Application must be submitted within 30 days of permit issuance, or, if no permit is required, within 30 days after construction has commenced.

2. To be eligible, an applicant cannot have delinquent property taxes on any property currently owned by the applicant in Wyandotte County.

3. Upon submission of the project application, the improvement/construction must be completed within 24 months of the date of submission, unless otherwise approved in writing by the Economic Development Director, or his or her designee.

4. A project is deemed commenced when a completed application (pages 4 thru 8 of Part 2, Section A and Part 2, Section B and required pre-construction, renovation, or expansion documentation) is received by the Economic Development Department.

5. The following documentation is required to accompany Part 2, Section A and B:

**Pre- and Post-Construction, Renovation, or Expansion Requirements**

**Pre-Construction** -- The following required documentation must be submitted with the application within 30 days of permit issuance, or, if no permit is required, within 30 days of construction, renovation, or expansion commencing in order to be eligible for the NRA tax rebate:

- A Certificate of Occupancy (CO) or an approved Final Inspection Slip signed by the Building Inspections Division of the Neighborhood Resource Center (NRC).
- Pictures of the completed improvement.
- Receipts or certification of construction expenses.

6. The assessed value of residential and commercial property must be increased as described in the NRA Plan for the designated Area(s) in order to be eligible for the tax rebate. **A rebate is based on the increase in value to the property due solely to Construction Improvements after the UG appraiser has established a new 100% project completed value.** If there is any percentage increase in assessed value and an increase in taxes during the construction or improvement period, then the applicant is required to pay the increase in taxes and it is not subject to a rebate until construction or improvements are completed.

7. The improvements must conform to the Comprehensive Land Use Plan and Zoning Ordinance in effect at the time the improvements are made.

8. The new, as well as the existing improvements on property must conform to all other applicable codes, rules, ordinances, regulations, and building standards in effect at the time the improvements are made and for the length of the NRA tax rebate, or the rebate may be terminated. The Unified Government County Administrator may request to review any updated drawings/renderings, and proposed landscaping, fencing, and lighting plans prior to approval of the NRA tax rebate incentive.

9. Any property that is delinquent in any tax payment or special assessment shall not be eligible for any NRA tax rebate or future rebate until such time as all taxes and special assessments have been paid. If such delinquency occurs after entry into the NRA tax rebate program, the owner shall have no more than ninety (90) days to bring the taxes current or the property shall no longer be eligible for the NRA tax rebate and participation terminates. Any ineligibility does not extend the term of the program.

10. The NRA project value is based on the market value increase due to new improvements only **after** the project is 100% complete and does not include the land and existing building value.
VII. Unified Government Application for NRA Tax Rebate Sample Application

See Exhibits C, D and E.

VIII. Contents of Application for NRA Tax Rebate

Part 1, Section A: General Information (See Exhibit C)

Part 2, Section A: Application (See Exhibit D)

Part 2, Section B: Status of Construction Completion (See Exhibit E)

IX. Application Procedure

1. The application can be obtained on the Unified Government website at www.wycokck.org/economic/incentives.aspx, from the Economic Development Department (701 N. 7th Street, Suite 421) or the Building Inspections Division of the NRC (4953 State Ave), prior to or concurrent with a building permit.

2. Within 30 days of permit issuance for or, if a permit is not required, 30 days after the start of any new construction, renovation, or expansion, the applicant shall submit to Economic Development staff a completed application pages 4 thru 8 of Part 2, Section A and Part 2, Section B and required pre-construction, renovation, or expansion documentation. When the project is completed, the applicant shall submit required post-construction documentation within three months of completion prior to receiving the NRA tax rebate.

3. The applicant shall request the Building Inspections Division to reference in its files that the applicant is applying for the NRA tax rebate and to forward a copy of the building permit to the Unified Government Appraiser.

4. Prior to December 1, following commencement of construction, renovation, or expansion and each succeeding December 1 until and including the year of project completion, the applicant shall complete and sign a new copy of Part 2, Section B of the NRA application, indicating the anticipated status of the project as of the following January 1 to the Economic Development Department.

5. In Kansas, the effective date of appraisals for taxation purposes is January 1st. Therefore, the Wyandotte County Appraiser’s Office will establish the new valuation as of January 1, but only after the project is fully complete. The Appraiser’s Office
shall submit a report of the new valuation and the revised tax information by June 1 to the Unified Government Treasurer.

6. Upon determination that the status of the improvements as of January 1 meets the eligibility criteria, the Appraiser’s Office shall certify the percentage requirements of Part 2, Section C to the Unified Government Clerk, Treasurer, and Economic Development Department.

7. Economic Development Department staff will notify the Appraiser’s Office of any new NRA applications and input the documentation for tracking.

8. Economic Development Department staff will notify the Finance Department of completed NRA tax rebates on an annual basis.

9. Upon the payment of the real estate tax for the subject property for the initial and each succeeding tax year extending through the specified NRA tax rebate period, and within a thirty (30) day period following the date of tax distribution by the Unified Government to the other taxing units, the NRA tax rebate, less the appropriate administrative fee, shall be made to the applicant. The tax rebate shall be made by the Unified Government Treasurer from the Neighborhood Revitalization Fund established in conjunction with the Unified Government and the other taxing units participating by Interlocal Agreement. The Unified Government Finance Department and the Economic Development Department staff will make reports to the Unified Government Commission and other taxing units.

10. Applicant is required to pay taxes each year. A rebate check will be issued to applicant from the Treasurer’s Office after taxes are paid. The NRA tax rebate applies only to the additional taxes resulting from the increase in assessed value of the property based solely on the improvements and the participating taxing jurisdictions. Therefore, it should be noted that the valuation subject to rebate will remain fixed for the term of the NRA, however the mill levy calculation is subject to change, which may impact the rebate amount.

For example, if taxes paid on vacant land is Five Hundred and 00/100 Dollars ($500.00) and a structure is built on the vacant land (improvement) that raises the taxes to Two Thousand Five Hundred and 00/100 Dollars ($2,500.00) (assuming the required assessed value has occurred), the incremental increase in tax is Two Thousand and 00/100 Dollars ($2,000.00). The Two Thousand and 00/100 Dollars ($2,000) less an administrative fee is the portion that will be rebated.

**NOTE:** The above example is for illustrative purposes only.
11. Applicants appealing their appraised values may jeopardize their eligibility for NRA participation for that year and following tax years and may initially encounter a one (1) year delay in determining their eligibility for NRA participation.

12. A copy of the certification for transfer (NRA Transfer of Deed form at the end of the application) must be used when transferring the NRA tax rebate. The certification should be completed when the property is sold and then sent to the Economic Development Department, Attention: NRA Program Staff, 701 North 7th Street, Suite 421, Kansas City, Kansas 66101. In such situations, the occupant may then be eligible to receive the NRA tax rebate pursuant to all other program criteria.
