Continuing Ethics training presentations by video have and are being provided by the Human Resources department for the police and fire department and are also used for a section of the sheriff’s department and water treatment plant due to the shifts in each department.

New Business:

Ethics Administrator Benien will try at each meeting to cover a limited provision of the UG Ethics Code to better help the UG Ethics Commissioners understand its provisions or answer questions they may have. The topic this month and in upcoming months will deal with the UG Ethics Code provisions being considered for review and/or amendment.

The review of the UG Ethics Code continued and was concluded with UG Ethics Code Sec. 2-271 through Sec. 2-272 reviewed and notes made for ultimate changes or action. A copy of the 2014 proposed amendments has been provided to the new UG Ethics Commissioners. All new commissioners have been provided with a hard copy of the current UG Ethics Code. The Ethics Administrator will obtain a copy of the UG Human Resources social media policies. Thanks to Commissioners Tomasic and Cisneros all Commissioners have been provided with a copy of the UG Ethics Code that includes red-lined and blue lined 2014 proposed changes and new changes. Sections to be reviewed and finalized at the next meeting are Sec. 2-253 – Sec. 2-257. Finalization of Sec. 2-251 and Sec. 2-252 were temporarily put on hold for a request by Commissioner Bragg to include language of the global purpose of ethics, etc.

The next monthly meeting will be on May 12, 2022, in person, at the Wyandotte County Courthouse in the Wyandotte County Law Library conference room. Masks required for courthouse entry. Administrator Benien advised there was a chance she might ask for the meeting to be moved to the first week or the May 11, 2022 due to a pending potential trip out of state that would not be possible to conduct by Zoom. She will advise of the same.
