Continuing Ethics training presentations by video have and are being provided by the Human Resources department for the police and fire department and are also used for a section of the sheriff’s department and water treatment plant due to the shifts in each department.

Two new advisory opinion requests were received by email. Three requests for advisory opinion are currently pending. Four advisory opinion requests were closed by provision of a response or opinion provided.

**c). Requests for Information:**

No new Request for Information was received.

**New Business:**

Ethics Administrator Benien will try at each meeting to cover a limited provision of the UG Ethics Code to better help the UG Ethics Commissioners understand its provisions or answer questions they may have. The topic this month and in upcoming months will deal with the UG Ethics Code provisions being considered for review and/or amendment.
The review of the UG Ethics Code continued and was concluded with UG Ethics Code Sec. 2-271 through Sec. 2-272 reviewed and notes made for ultimate changes or action. A copy of the 2014 proposed amendments has been provided to the new UG Ethics Commissioners. All new commissioners have been provided with a hard copy of the current UG Ethics Code. The Ethics Administrator obtained a copy of the UG Human Resources social media policies and distributed those. Thanks to Commissioners Tomasic and Cisneros all Commissioners have been provided with a copy of the UG Ethics Code that includes red-lined and blue lined 2014 proposed changes and new changes. Sections to be reviewed and finalized at the next meeting are Sec. 2-265– Sec. 2-270 and finalization of Sec. 250-252 with provision of proposal by Commissioner Bragg to include language of the global purpose of ethics, etc. Review of the Ethics Code will continue and it was agreed to adopt the definition of “social media” contained in the HR codes in the definitional section. The hope is that a final version will be completed in the next few months.

Discussion was had with respect to the political activities section of the Code and potential responses or changes due to issues in the recent election cycle including adoption of a press release or other public dissemination with respect to the same perhaps similar to the recent press release or a limited version of the political memorandum.

The next monthly meeting will be on October 13, 2022, in person, at the Wyandotte County Courthouse in the Wyandotte County Law Library conference room. Masks required for courthouse entry.
