The Consolidated General Fund is the largest fund the U.G. has. It holds all funds not required by law to be held in a different fund. Funds within the Consolidated General are the City General, County General, and Parks and Recreation Funds.

**City General Fund**
This pie chart shows the City General Fund broken down by service area.
- Public Safety
- Public Works
- Mayor and Commission
- Community Services
- General Government
- Internal Accounts
- Judicial Services

**County General Fund**
This pie chart shows the County General Fund broken down by service area.
- Public Safety
- Public Works
- Mayor and Commission
- Community Services
- General Government
- Internal Accounts
- Judicial Services
- Other programs

**Parks and Recreation**
This pie chart shows the services provided by the Parks Fund within the Consolidated General Fund.
- Parks
- Recreation
- Parks Administration
- Park Rangers

The City and County General Funds are separated by their revenue sources and what services they provide. For example, the KCK Fire Department covers the City, while the Sheriff covers the County. Parks and Recreation is included in the Consolidated General Fund because its services overlap the city and county.

**Revenue Structure for the Consolidated General Fund**
This pie chart shows revenues broken down by revenue type for the consolidated general fund.
- Tax Revenue
- Licenses and Permits
- Intergovernmental Revenue
- Charges for Services
- Fines/Forfeits/Fees
- Interest Income
- Miscellaneous Revenue
- Reimbursements
- Other Financing Sources
