

# How to register for the UGPHD Patient Portal

**ACCESS YOUR LAB AND COVID/FLU VACCINE RECORDS**

## STEP 1

Visit: [ughealth.info/RegisterEMR](http://ughealth.info/RegisterEMR)

OR Aim your smartphone camera at this QR CODE:

## STEP 2

USE REGISTRATION CODE:  
**WYCOCOID**

## STEP 3

Enter your information on **required fields** to create a UGPHD profile for your electronic medical records access.

## STEP 4

You will receive a confirmation email and/or text message in the next 24 hours. Please call us in the event you do not receive a confirmation after that time.

## STEP 5:

### WHEN CAN I ACCESS MY RECORDS?

Once approved by our staff, you will receive a confirmation email including your personal registration code and instructions of how to sign-in to the patient portal.

USE REGISTRATION
