The proposed outreach plan was discussed and the agenda for the listening sessions was approved.

Proposed Meeting Outreach Plan

- 4 listening sessions, combining 2 neighboring commission districts

The agenda for listening sessions would include:

- Background of LEAB
- Testimonies of 3-5 minutes - process to be determined
- Description of how the testimonies will be recorded and addressed
- Meetings will begin at 6 pm and end no later than 7:30 pm
- Locations will be in community centers, churches, etc.
- Survey will be developed and distributed throughout the process, allowing for continued gathering of voices.

Our desire is for the community to feel as free as possible to share, thus we recommend that law enforcement officials not attend the listening sessions. In addition, we recommend that law enforcement personnel be excused from the portion of our Reflect and Planning meetings when we are discussing what we have heard from the community. Our goal here is not to exclude law enforcement from the conversation, but to freely process what we have heard so that we may report accurately and advise accordingly.

Our hope is that out of this conversation we can fulfill our obligation to the community to advise on long-term policy solutions. We recognize, however, that there may arise the need for short-term, urgent responses concerning testimonies we may hear.

We request LEAB members to confirm attendance for the above dates with their commissioners.

Outreach team report.

Irene Caudillo talked for the outreach team.

The LEAB HISTORICALLY DOES NOT MEET IN December but it was decided we will meet on December 14th and use the meeting for Bias Training.

Chief Karl Oakman discussed officer involved shooting

Sheriff Daniel Soptick had no report.

Emile Singleton, a citizen that lives on Wood Ave requested time to talk about issues on her street. A discussion was held . Chief Oakman had a engagement and left at 4:25.

Reed Partridge reviewed the Offender Registration Unit Audit.
