

Unified Government Community Development Department  
EMERGENCY SOLUTIONS GRANT  
Habitability Standards and Lead -Based Paint

**If you do not have staff certified** to conduct housing habitability standards and/or lead based paint inspections, complete this form and remit to Community Development with attention to the following:

Rehabilitation Supervisor: Joe Monslow Email: [jmonslow@wycokck.org](mailto:jmonslow@wycokck.org)

Phone: 913-573-5126 Fax: 913-573-5115

Organization helping with ESG Prevention & Rapid Rehousing Grant Funds are required to conduct inspections of units which program participants will remain in or move into housing.

1. Is assistance being provided for program participant to move into a unit? Yes ☐ No ☐

2. Is assistance being provided for program participant to remain in its existing unit? Yes ☐ No ☐

If yes, a habitability standards inspection must be completed prior to occupancy.

3. Is there a child that is six years old or less that will be residing in the unit that assistance will be provided? Yes ☐ No ☐

If yes, a Lead-Based inspection must be completed prior to occupancy. Submit ESG form #13 with this request.

***This form must be maintained in each participant's file.***
