<sup>1</sup> Unit Legend

E = A range of Employees like bank tellers (1-5), (6-10), (11-15), and (16 and over)

B + E = Begin with base amount for 1 and then add and additional amount for each additional employee (e.g. tax preparation business)

V = A range of vehicle numbers for Taxi/Livery License (1-10), (11-19), and (50 and over)

BV = Occupational tax amount assessed for each vehicle (taxi' s, trash trucks, tow trucks, etc.)

BU = Occupational tax amount assessed for each unit (hospital rooms, hotel/motel rooms)

Int + 25% Ext = Occupational tax amount determined by formula (e.g., auto dealers = the total interior square footage and ¼ of exterior)

|      | Combo Test                   |                                                                                                   | \$15.00                                            |
|      | Carrier                      |                                                                                                   | \$4.00                                             |
| X.   | LAW ENFORCEMENT TRAINING FEE | Per training                                                                                      | Varies based on type of training and trainer costs |
| XI.  | PARADE PERMIT FEE            | Per parade- based on length of parade, # of staff required, # of traffic control devises required | \$1,500.00-\$4,000.00                              |
| XII. | COPYING FEES                 | Per Page plus staff fee                                                                           | \$0.30 over 5 pages                                |
|      | Administrative               | Per hour                                                                                          | \$37.00                                            |
|      | Professional                 | Per hour                                                                                          | \$51.00                                            |

<sup>1</sup> Proof of rabies vaccination and spay/neuter must be provided to obtain a license.

<sup>2</sup> If the animal dies within 10 years of obtaining a lifetime license, notify animal services with proof of adoption or purchase of another animal and the license will be transferred to the new animal. If not new animal is purchased, the lifetime license is no longer valid.

<sup>3</sup> Failure to obtain a permit is a misdemeanor. Alarm permits are not transferable. Permits are valid for a calendar year and must be renewed by January 31 of each year. If any information furnished on the applications changes, the alarm user must notify the Alarm Coordinator in writing within 10 days of the change. This is also necessary if an alarm monitoring service is disconnected.

<sup>4</sup> Multiple false alarm incidents occurring on the same calendar day constitute one false alarm.
