Survey Instrument

November, 2019

Dear Wyandotte County Resident:

You have been randomly selected to help the Unified Government of Wyandotte County/Kansas City, Kansas plan for the future by completing the enclosed survey about your perception of city and county government services and quality of life. The Citizen Survey will be an important tool for the Unified Government Board of Commissioners who will use the results as input for funding priorities.

The survey will take approximately 15 minutes to complete. The time you invest in completing this survey will influence decisions made about the city's and county's future. **Individual responses will remain completely confidential.** The results are tabulated and viewed only as a whole.

The Unified Government is partnering with ETC Institute which is one of the nation's leading firms in the field of local government research. Please return your survey to ETC Institute in the enclosed postage-paid envelope in the next two weeks. Alternatively, you can complete the survey online at www.UGsurvey.org. The survey data will be compiled by ETC and they will present the data to Unified Government officials when the results are in. Again, the results will help develop government funding priorities and will also assist efforts to deliver government services in the most cost effective and efficient manner possible.

Should you have additional questions, please feel free to contact Mike Grimm with the Unified Government Research Division at 913-573-5157 or mgrimm@wycokck.org.

We value your opinion and hope you will take this survey as seriously as the Unified Government will take your responses.

Thank you again for your participation in helping shape Wyandotte County's future.

Sincerely,

David Alvey
Mayor/CEO
