Wyandotte County Community Health Improvement Plan 2018 - 2023

Year 3 Updated CHIP
Published January 2021

Wyandotte County CHIP Background

What is the CHIP?

The Wyandotte County Community Health Improvement Plan (CHIP) is a 5-year (2018-2023) **multi-sector collaborative plan** designed to address four community-identified health priorities: 1) Jobs and Education, 2) Health Care Access, 3) Safe and Affordable Housing, and 4) Violence Prevention. The Unified Government Public Health Department (UGPHD) partners with four Lead Agencies, each with expertise in one of the priority areas, to plan and implement the CHIP strategies through the convening and coordination of CHIP Action Teams and Subcommittees

How does the CHIP work?

The four **CHIP Action Teams** make progress towards each of the priority areas by planning and implementing community-based strategies. The Action Teams are coordinated by the following Lead Agencies:

- **Jobs & Education** - Led by Wyandotte Economic Development Council
- **Health Care Access** - Led by Vibrant Health
- **Safe & Affordable Housing** - Led by Livable Neighborhoods Taskforce
- **Violence Prevention** - Led by Metropolitan Organization to Counter Sexual Assault

The **Unified Government Public Health Department** provides backbone support including raising resources, conducting evaluations, and ensuring the overall sustainability of the plan.

A **CHIP Steering Committee**, composed of key stakeholders and representatives from Wyandotte County organizations, provides guidance for both the UG Public Health Department and the Action Teams

Where are we now in the CHIP process?

The **CHIP is a 5-year plan** launched in September 2018. As a community, we have completed CHIP Years 1 and 2, and are entering the CHIP's third year of planning and implementation. We are proud of the progress the CHIP Action Teams have made, and are looking forward to CHIP Year 3, where we will continue to support strategy implementation and strengthen collaborations towards a healthier Wyandotte County

CHIP Structure

Steering Committee

Overarching leadership

Provides guidance and strategic oversight for the direction and implementation of the CHIP

Health Equity Subcommittee

Builds capacity to evaluate how the CHIP applies the three lenses: poverty, discrimination, and Adverse Childhood Experiences (ACEs) (pg. 4)

UG Public Health Dept.

Backbone support

Provides technical assistance, raises resources, conducts evaluations, and ensures the overall sustainability of the CHIP

Action Teams & Lead Agencies

The Action Teams address the four CHIP priority areas. Lead Agencies are local organizations that coordinate each of the Action Teams. The Agencies were selected based on subject-matter expertise and capacity to lead the work

Jobs & Education

Led by Wyandotte Economic Development Council

pg. 6-7

Health Care Access

Led by Vibrant Health

pg. 8-9

Safe & Affordable Housing

Led by Livable Neighborhoods

pg. 10-11

Violence Prevention

Led by Metropolitan Organization to Counter Sexual Assault

pg. 12-13

Subcommittees

Each Action Team has several **Subcommittees** dedicated to addressing the specific **Focus Areas** and **Strategies** identified in the CHIP

CHIP Lenses

Poverty

Discrimination

Adverse Childhood Experiences (ACEs)

The Community Health Assessment (CHA) identified the four priority areas included in the plan. During the CHA process, the community also identified three areas of focus or "CHIP Lenses": **Poverty, Discrimination, and Adverse Childhood Experiences (ACEs)**. The CHIP Lenses are underlying factors that impact each of the priority areas, and should be considered when planning and implementing CHIP strategies.

In November 2020, the CHIP Steering Committee formalized a **Health Equity Subcommittee** that will focus on building capacity towards the **evaluation of the three CHIP Lenses** through the course of CHIP Year 3. Below are some of the ways in which the CHIP Action Teams have addressed and considered the CHIP Lenses in the planning and implementation of CHIP strategies:

Creating opportunities such as Business ESL programming for WyCo's non-English speaking workforce to advance in their vocations and **close the wealth gap** among immigrant & refugee populations

Incorporating **cultural humility and health literacy** considerations in health care service delivery and messaging by establishing community-wide standards for these practices, which recognizes the impacts of discrimination and other health injustices historically found in health care

Increasing **affordable housing options for WyCo families and individuals living in poverty**, and low to moderate income, through the creation of a community land trust pilot in partnership with a local non-profit

Collaborating directly with neighborhood leaders and community members to improve shared outdoor spaces in WyCo neighborhoods with the highest rates of reported crime, which can **strengthen community connectedness and resiliency in response to ACEs** and other shared trauma

CHIP Year 2 Highlights (2019-2020)

Business ESL programming

Workforce Partnership, Kansas City, KS Community College (KCKCC), and a local employer partnered to create a Business ESL curriculum for workplaces

84 new child care spaces for kids age 1-5

The Family Conservancy (Start Young) worked with local child care providers and centers to create 84 new child care spaces, only 40 spaces away from the 3 year goal

Over 160 Medicaid expansion advocacy letters

Hosted a Medicaid expansion letter-writing campaign during the 2020 legislative session, resulting in more than 160 personalized advocacy letter

Health literacy campaign reached over 80,000 households

Launched a health literacy campaign with local community champions. Materials were disseminated in 4 languages, reached over 80,000 households, and had more than 160,000 digital impressions

Hosted 2nd Annual Housing Summit

Held the 2nd Annual WyCo Housing Summit bringing together over 80 participants virtually to strategize around the prevention and reduction of evictions during the COVID-19 pandemic

Instituted a community land trust peer-learning group process

The community land trust (CLT) peer-learning group series resulted in the implementation of a CLT pilot, in partnership with Community Housing of WyCo

Launched REVIVE, a hospital-based violence intervention program

Through a partnership between ThrYve, KU Hospital, and the Ad Hoc Group Against Crime, REVIVE started connecting youth survivors of violence to support services before leaving the hospital ED

"Stories on Stories" in Clifton Park

A team of partners prepared Clifton Park for the Stories on Stories art installation this year, including repainting, and adding new benches and grills. Local community artists were asked to submit art to display in the building
