

# Wyandotte County Community Health Improvement Plan

## 2024 — 2028

# Health Care Access Planning Sessions

### Join us for a two session series exploring Health Care Access in Wyandotte County!

*Join Us!*

Help inform the goals, measures and strategies that will guide how we will collaboratively address Health Care Access in the 2024-2028 Community Health Improvement Plan (CHIP).

Both sessions will build on each other and we encourage your participation in both if possible. Snacks and light refreshments will be served during sessions.
