

Wyandotte County Community Health Improvement Plan

2024 — 2028

Safe & Affordable Housing Planning Sessions

Join us for a two session series exploring Safe & Affordable Housing in Wyandotte County!

Join Us!

Help inform the goals, measures and strategies that will guide how we will collaboratively address Safe & Affordable Housing in the 2024-2028 Community Health Improvement Plan (CHIP).

Both sessions will build on each other and we encourage your participation in both if possible. Snacks and light refreshments will be served during sessions.
