An Annual Entertainment License or Temporary Entertainment Permit is required for entertainment activity, if the premises serve or dispense, or will be serving or dispensing alcoholic beverages.

All applications for new Annual Entertainment License are submitted for Planning and Zoning approval, and may require a Special Use Permit.

If an Annual Entertainment License is being renewed and Special Use Permit was previously required and issued by Planning and Zoning, that permit does need to be current when the license is renewed.

If you have questions with the following application please call our office.
