UG PARKS AND RECREATION MONTHLY NEWSLETTER

December

As 2017 comes to an end we reflect on what a great year it's been in Parks and Recreation. Some successes we've had include working with the SOAR initiative to improve our mowing schedule to allow our parks to be groomed on a more regular basis as well as the completion of the Parks and Recreation Master Plan. We look forward to a successful 2018 with our community and wish everyone a fun and safe holiday season!
