What's Happening?

In Review

Winter Wonderland at Eisenhower

Winter Wonderland at Eisenhower Community Center took place on Saturday, December 16th. Kids of the community had the opportunity to participate in festive games, enjoy bounce houses, and visit with Santa who was handing out presents!

Snowball Shootout

The Snowball Shootout at Eisenhower Community Center, Sponsored by First Round Inc. was a great kick off to the 2018 Youth basketball season. The tournament had seven 6th grade teams playing. A team from Bethany Community Center won the tournament (Team Dotte over Boys and Girls club)

Improvements Around Parks

New timber-frame kiosks were recently installed at sites in Bonner Park, Stony Point Park, and at the Schlagle Library at Wyandotte County Lake, thanks to a partnership between the Kansas Forest Service and the Unified Government of Wyandotte County & Kansas City, Kansas.

Parks and Recreation is currently revitalizing the West Admin. office located at Wyandotte County Lake. Once completed, it is our hope that re opening the West office will better accommodate our large community.

A footbridge was installed at the kiddie pond at the lake. Installation of this bridge will make it safer and easier to get across the rocky ravine.

Quindaro Ball Field is undergoing field resurfacing and fence renovations. The project is expected to be completed by Spring 2018.
