COMMUNITY IMPACT

PCs for People does more than securely recycle your electronic waste; we are a nonprofit social enterprise with a mission to end the digital divide.

520,000
people
supported

267,000
devices
distributed

9 million
pounds of e-waste
recycled

77,000
homes connected
to internet

OUR WORK SUPPORTS:

Digital Equity: Recycled computers are refurbished and distributed back into the community to support equal access to technology for low-income families.

Workforce Development: Our recycling warehouses employ adults from diverse backgrounds and with disabilities.

The Environment: If items are not reusable, we recycle every component, keeping millions of pounds of e-waste out of landfills.
