Consistent with this general purpose, the Lodge recognizes that an obligation rests upon each Deputy to render honest, efficient and courteous service to the Department, Unified Government and the public. The Lodge agrees to cooperate with the Unified Government in its efforts to strengthen the good will between the Sheriff's Department, the Unified Government and the general public.

The Lodge recognizes the need for improved methods in providing services to the public and agrees to cooperate with the Unified Government and the Department in the installation of such methods, in suggesting improved methods, in the education of its members and the necessity for such changes and improvements.

The Department agrees that no arbitrary quotas or levels requiring members of the appropriate unit to make a certain number of arrests or other law enforcement activities shall be established or performed.

Section 3.2 Management Rights

By entering into this Memorandum, the Unified Government and the Department have agreed to certain specific limitations on their right to manage the department and to direct the personnel. However, it is the intention of the parties hereto that the Unified Government and the Department retain each and every right and privilege they ever had except insofar as it has, by this Memorandum, agreed to specific limitations thereon. The Unified Government and the Department have, by certain specific articles of this Memorandum, relinquished a portion of their exclusive management rights and it is understood that those articles shall supersede the reservation of rights to the extent of the article in conflict.

The exclusive rights of the Unified Government and the Department which are not abridged other than by this Memorandum shall include, but are not limited to, their right to determine the existence or nonexistence of facts which are the basis of a management decision; to establish or continue policies, practices and procedures for the conduct of the Department and to change or abolish such policies, practices or procedures; to introduce new or improved methods, equipment or facilities; to discontinue processes or operations or to discontinue their performance by employees; to select, determine and schedule the number or type of employees required; to assign work to such employees in accordance with the requirements determined by the Department; to establish and change work schedules and assignments; to determine the facts of lack of work; direct the work of their employees; hire, promote, demote, transfer, assign and retain employees in positions within the department; discipline, suspend or discharge employees for proper cause; maintain the efficiency of governmental operation; to lay off or furlough employees; take actions as may be necessary to carry out the mission of the Department in emergencies; determine the method, means and personnel by which operations are to be carried on; to

unilaterally develop standard operating procedures, general and special orders and rules and regulations not in conflict with this Memorandum; to establish and maintain reasonable standards for wearing apparel and personal grooming; and all other prerogatives and responsibilities normally inherent in management of the Unified Government and the Department which are not in conflict with the specific provisions of this Memorandum. All management rights, power, authority and functions other than those relinquished by the Unified Government and the Department in this Memorandum shall remain vested exclusively in the Unified Government and the Department.

Neither the Unified Government, the Department nor the Lodge through their officers, members, representatives, agents or committees, shall engage in any subterfuge of any kind for the purpose of defeating or evading the terms of this Memorandum.

The Sheriff shall have the exclusive right to assign, or not to assign department vehicles by bid positions to be taken home by the employee. Department/Unified Government vehicles shall be parked at the employee's residence and only used for authorized Unified Government business.

ARTICLE 4: PROBATIONARY EMPLOYEES

New employees shall be considered Probationary Employees from their date of hire through the date that such employees have completed their Academy training, the Jail Training Officer Program ("JTO Program") and six (6) months of continuous employment after completion of the JTO Program. Any interruption of employment except for on-the-job injuries (leave, sickness, injury, etc.) during the probationary period in excess of ten (10) working days shall not be counted as part of such probationary period. Probationary Employees may be discharged or

disciplined at the sole discretion of the Department without recourse to the provisions of this Memorandum.

Probationary Employees shall not accrue seniority until the completion of their probationary period. Upon the completion of the probationary period, the employees' seniority date will be measured from their date of hire as provided in Article 5.

ARTICLE 5: SENIORITY

Section 5.1 General

a) Deputies.

Seniority shall be measured by continuous service as a Deputy in the Department from the date of last hire, unbroken by other than vacation, military leave or other authorized leaves of absence of not to exceed ninety (90) days and lay-off not in excess of two (2) years. Seniority shall be broken by discharge, resignation, retirement, lay-off in excess of two (2) years, permanent disability, or disciplinary suspensions of forty-five (45) working days or more or if the employee is called back to work from layoff and does not report for work within fourteen (14) calendar days of receipt of written notice by certified mail. In cases of disputes concerning seniority, the Department's records shall govern. The seniority of officers with the same date of hire will be decided by the officer's class academic ranking. Academic ranking will be based upon total points scored on all tests given during the basic academy class. Temporary or part-time employees shall not accumulate nor exercise any seniority rights. Department seniority shall be utilized as indicated in this Memorandum.

b) Military Leave

Military leaves of absence shall not affect seniority in accordance with applicable Federal laws governing the same.

Section 5.2 Seniority Rosters

The Lodge will be provided with up-to-date seniority rosters containing names and length of service of Deputies. These seniority rosters will be posted at reasonable locations.

ARTICLE 6: WORK PERIODS

Section 6.1 General

The Sheriff has the management right to change the hours of work shifts or work periods and to institute new work shifts or periods or discontinue existing work shifts or periods. The Sheriff agrees to notify the Lodge at least thirty (30) days in advance of implementing any such planned changes.

Section 6.2 Standard Work Period

The standard work period for Deputies assigned to 8 – hour shifts shall be seven (7) days for a total of forty (40) hours with two (2) consecutive days off. The standard work period for Deputies assigned to eight and one quarter (8 ¼) hour shifts shall be seven (7) days for a total of forty and one quarter (41 ¼) hours with two (2) consecutive days off. The standard work period for deputies on twelve and one quarter (12 ¼) hour shifts in the Detention Division shall be seven (7) days for a total of forty-three (43) hours, with three (3) consecutive days off. Deputies in the Detention Center may also be required to attend training for an additional two (2) hours each month, for which they shall receive compensation as any other hours worked. Standard work periods may vary during shift or job change periods. The work week shall be established to

conform to the requirements of federal and state law and so as to facilitate Unified Government payroll procedures.

Section 6.3 Standard Work Day

The standard work day for those Deputies assigned to the Detention Center on twelve and one quarter (12 ¼) hour shifts shall be twelve and one-quarter (12 ¼) consecutive hours in a twenty-four hour period, except for a forty-five (45) minute paid intermission for lunch and for deputies in the Detention Center assigned to eight (8) hour shifts it shall be 9 consecutive hours in a twenty-four hour period, except for a one-hour unpaid intermission for lunch, and for deputies in the Detention Center assigned to a six and one quarter (6 ¼) hour shift, it shall be six and one-quarter (6 ¼) consecutive hours in a twenty-four (24) hour period, including a twenty (20) minute break period. The standard work day for those deputies assigned to the Operations Division and Community Support Services on 8-hour shifts shall be eight and three-quarters (8 ¾) consecutive hours in a twenty-four (24) hour period except for a thirty (30) minute unpaid intermission for lunch.

Section 6.4 Meal Period for Detention Employees

Each employee's meal period shall be taken at a time during his regular work day as designated by the employee's supervisor. The meal period shall be as indicated above in Section 6.3. The Sheriff shall establish reasonable rules permitting food to be served in the Officer's Mess or brought from or delivered to the detention facility from home, commercial establishments or vendors. If possible, each employee on twelve and one quarter (12 ¼) hour and six and one quarter (6 ¼) hour shifts will also be allowed a fifteen (15) minute break during shift.

ARTICLE 7: OVERTIME

Section 7.1 General

a) Employees on 8-hour shifts shall receive one and one-half (1-1/2) times their actual hourly rate of pay, or compensatory time up to a maximum of two hundred (200) compensatory hours, for work performed in excess of forty (40) hours in a given work period. Employees on 8 ¾ -hour shifts shall receive one and one-half (1-1/2) times their actual hourly rate of pay, or compensatory time up to a maximum of two hundred (200) compensatory hours, for work performed in excess of forty one and one-quarter (41¼) hours in a given work period. Employees on twelve and one quarter (12 ¼) hour shifts (with one (1) day at six and a quarter (6 ¼) hours) shall receive one and one-half (1-1/2) times their actual hourly rate of pay, or compensatory time up to a maximum of two hundred (200) compensatory hours, for work performed in excess of forty-one (41) hours in a given work period. (Provided, that, no employee shall have accumulated more compensatory hours on the books than that allowed by Federal law and/or regulation.) Compensatory time may be paid in lieu of overtime payment if the employee so elects. For the purpose of overtime calculations, pre-approved use of holiday, vacation and compensatory time and jury duty is considered time worked. For the purpose of this section, pre-approved is defined as receiving written approval from the employee's supervisor via the usual leave request form at least twenty-four (24) hours prior to the start of the shift. Management has the right to determine staffing needs and whether any holiday, vacation or compensatory time will be pre-approved. Any unplanned use of holiday, vacation and compensatory time without sufficient pre-approval is not considered hours worked for the purpose of calculating overtime. Holidays cashed in during the annual holiday buy back period provided for in Section 12. 3 shall not count as hours worked.

(b) The assignment of voluntary overtime shall be offered to deputies on the same division and shift when the need for the overtime is posted according to their relative position on the Department seniority list, starting from the most senior to the least senior deputy. It may then be offered to deputies on other divisions or shifts following the same protocol. The assignment of forced overtime shall be based on a round robin system within the division starting with the least senior deputy to the most senior deputy. Every six (6) months the round robin system of forced overtime shall be reset so that the least senior deputy within the division shall again be the next deputy required to work forced overtime and then again progressing to the most senior deputy within the division. If a deputy is absent on the day his or her name is next on the forced round robin list, it shall remain at the top of the list when the deputy returns to work.

(c) Voluntary overtime to cover a Sergeant's position shall first be offered to other Sergeants in the same division based on their seniority in grade. In the Operations Division, if no Sergeant within the Division will volunteer, then the assignment shall be offered to Sergeants who have completed the Field Training Officer Program to cover the affected first shift. If no Sergeant that has completed the Field Training Officer Program agrees to cover the shift in the Operations Division or, in Detention if no Sergeant will volunteer, then the assignment shall be offered to Deputies in accordance with the procedures specified in Section 18.2 (Acting Sergeant).

(d) If the Department determines within its sole discretion that it will fill a Detective's absence on an overtime assignment or determines that additional detective manpower is required after normal working hours, such assignment shall be on an on-call basis. The on-call schedule of Detectives shall be established by the Department. If additional detective staffing is needed after the on-call detectives have been called in, then such additional detective positions shall be assigned on a seniority basis in the case of voluntary overtime and a reverse seniority basis in the case of

forced overtime. An employee shall only be entitled to overtime compensation if they satisfy Section 7.1(a) above.

(e) If an employee is off-duty and reports for an assignment and the Department determines that his services are not needed, he shall receive a minimum of two (2) hours pay. Such two (2) hours pay shall be at the straight time rate unless such two (2) hours would qualify for overtime compensation under Section 7.1(a) above.

(f) Upon acceptance of a voluntary overtime shift or upon assignment of an involuntary overtime shift, an employee shall be obligated to work such shift. Employees, who are required to work overtime or volunteer to work overtime, who do not work and do not have approved leave shall be subject to the following discipline:

1. First instance: Documented Warning (email or memorandum will suffice; no blanket warning, i.e. roll call discussion, will be permitted; after 1 year, to be stamped “Not to Be Used as Discipline” in employee’s file.)
2. Second instance: Written Reprimand (no blanket warning, i.e. roll call discussion, will be permitted; after one (1) year, to be stamped “Not to Be Used as Discipline” in employee’s file.)
3. Third instance: Fifteen (15) points
4. Fourth instance: An additional fifteen (15) points
5. Fifth instance: An additional fifteen (15) points and a one (1) day suspension without pay.

Section 7.2 Duty to Perform

Employees may be required to work a reasonable amount of forced overtime, not to exceed a total of twenty (20) hours overtime per standard work week and may be subject to discipline for any refusal to work when ordered. Overtime will be offered on the basis of seniority to employees who will work the overtime hours consecutively on the preceding or following shift within the shift where the overtime becomes available. Absent exigent circumstances, pre-shift and post-shift forced overtime shall not cause any deputy to work more than twelve and one-quarter (12 ¼) consecutive hours in a single work day as defined in Section 6.3. In cases of natural disasters and declared emergencies, this twenty (20) hour limitation may be exceeded.

No employee within a unit assigned standard work hours shall have his hours of work or days of work changed within their area of assignment as a punitive measure or specifically for the purpose of avoiding the payment of overtime.

Section 7.3 Court Time

Employees shall receive pay at the overtime rate for a minimum of one (1) hour or time actually worked, whichever is greater, for court appearances arising from their direct employment with the Unified Government when required to appear while off-duty. Employees will not receive court time pay for appearances while on duty.

In addition, employees so appearing will receive one (1) hour's pay at the overtime rate for travel to each court appearance provided that at least two (2) hours have passed between the termination of one (1) court appearance and the beginning of the next. Employees will not receive court overtime pay for a court appearance arising from off-duty employment. Employees shall have the option of selecting compensatory time or overtime payments for all court time.

In order to receive court time pay, employees must have their court appearance verified by the prosecuting attorney involved in the case.

Section 7.4 Out of County Prisoner Transport

Deputies will receive at least twenty-four (24) hours' notice of scheduled out-of-county transports. On out-of-county transports, deputies will be allowed to miss roll call for that day with their supervisor's previous approval, in order to begin the trip. On all prisoner transport trips which involve an overnight stay, the Unified Government will pay for the transporting deputies' dinner, lodging and breakfast. U.G. issued credit cards will be used to purchase inmates meals when necessary.

ARTICLE 8: DISCIPLINE

Section 8.1 Authority to Discipline

The Lodge recognizes that the Department has the responsibility for maintaining discipline and the efficient and orderly operation of the Department. Accordingly, the authority to discipline employees is vested exclusively in the Sheriff or his designees. Employees, excluding probationary employees, shall only be disciplined or discharged for just cause. Discipline or discharge for just cause shall include, but shall not be limited to, discipline or discharge for violation of the Department's or Unified Government's Rules or Regulations, General and Special Orders and Standard Operating Procedures. The Department's and Unified Government's Rules and Regulations, General and Special Orders and Standard Operating Procedures may be modified from time to time by the Department or Unified Government. Management agrees to inform Bargaining Unit Representatives thirty (30) days in advance of any changes in the above before

said changes are to take place, unless otherwise agreed upon. In accordance with state law and the Kansas Public Employer-Employee Relations Act, the parties agree to meet and confer in good faith regarding any changes in Rules and Regulations, General and Special Orders and Standard Operating Procedures which address mandatory subjects of bargaining.

Section 8.2 Imposing Discipline

All employees are expected to comply with the employer's standards of behavior and performance and any non-compliance with their standards may result in disciplinary action.

Under normal circumstances, the Unified Government and Sheriff endorse a policy of progressive discipline in which it attempts to provide employees with notice of deficiencies and an opportunity to improve.

The severity of discipline imposed shall be consistent with the offense committed. Discipline will be preceded by verbal counseling or warning in all minor violations. When notice of disciplinary action is given to an employee, a copy will be provided to the Lodge. Discipline may include the following:

1. Documented Warning (email or memorandum will suffice; no blanket warning, i.e. roll call discussion, will be permitted; after 1 year, to be stamped "Not to Be Used as Discipline" in employee's file.)
2. Written Reprimand (no blanket warning, i.e. roll call discussion, will be permitted; after 1 year, to be stamped "Not to Be Used as Discipline" in employee's file.)
3. Points.
4. Suspension

5. Demotion (in Sergeants and Detectives cases only)
6. Discharge

Records of verbal and written counseling or warning shall be removed from the employee's personnel file after one (1) year. All documents must be reviewed by the Sheriff or Undersheriff prior to being placed into an employee's file.

Section 8.3 Imposition of Discipline

Under normal circumstances, the Department will not impose any proposed discipline until the employee involved and the Lodge have concluded their appeals under the Grievance Procedure as outlined in Article 10 of this Memorandum.

Section 8.4 Forfeiture of Benefits and Rights

Employees who are terminated for just cause shall forfeit all employment benefits and rights, except accumulated vacation days, and compensatory time as provided in Unified Government written policy, retirement benefits in accordance with applicable law and any accrued wages.

ARTICLE 9: JOINT STANDING COMMITTEES

Section 9.1 – Joint Uniform & Equipment Committee

There shall be a joint uniform & equipment committee composed of six (6) members, three (3) appointed by the Lodge and three (3) appointed by the Sheriff. The Sheriff shall appoint the chairperson from members of the committee. The purpose of the committee shall be to study, evaluate and make recommendations to the Sheriff concerning the purchase of new uniforms or equipment or the upgrading, utilization, maintenance or upkeep of Department uniforms or

equipment and personal appearance of employees. The committee shall meet bi-annually, and submit an annual written report to the Sheriff and the Lodge detailing its proposed recommendations by December 31st of each year. No change may be made in uniform/equipment requirements without thirty (30) days advance notification to the Lodge. Except for exigent circumstances, no change in uniform/equipment requirements shall be made prior to March 1st in any given calendar year.

Section 9.2 – Joint Safety Committee

There shall be a Joint Safety Committee composed of four (4) members. The Sheriff shall have authority to appoint two (2) members to this committee. The Lodge shall have authority to appoint two (2) members to this committee. The Sheriff shall appoint the chairperson from the members of the committee. The purpose of the Committee shall be to study, evaluate and make recommendations to the Sheriff concerning the safety of officers and inmates of the detention facility. The committee shall meet quarterly on dates determined by the Committee and submit an annual written report to the Sheriff and the Lodge detailing its proposed recommendations by December 31st of each year. Should either management or the Lodge fail to participate in the scheduled meeting, a report may nonetheless be submitted by the parties who were in attendance at the scheduled meeting. However, both parties shall make all reasonable attempts to participate in the quarterly meetings.

ARTICLE 10: GRIEVANCE PROCEDURE

Section 10.1 General

The parties shall make sincere and determined efforts to settle meritorious grievances at the voluntary steps of the grievance procedure and to keep the procedure free from unmeritorious grievances. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and a prohibited practice under the jurisdiction of the Public Employee Relations Board, the Lodge may elect to pursue the matter under either the grievance procedure herein provided or by action before the Public Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the remedy chosen and waiver of the alternative remedy. Any time limit set forth in this procedure may be extended by the parties' written agreement to do so.

Section 10.2 Discipline Grievances

In the event of a grievance arising from any discipline, such grievance shall be processed through the grievance procedure. A Lodge representative will be present during any step of the grievance procedure, unless the employee requests that the Lodge representative not be present. Other than criminal internal affairs investigations, the Department further agrees to allow a Lodge representative to be present during investigatory interviews of a deputy upon such deputy's request when the deputy reasonably believes that the investigatory interview may result in discipline. The Lodge and the affected deputy shall be given no less than two (2) hours written notice of any show cause hearing, which may be extended upon a written request by the Lodge for additional preparation time.

Step I

The matter must first be submitted in writing to the Undersheriff's office within twenty (20) calendar days after the occurrence giving rise to the grievance, or after becoming known, or it shall be considered as dropped. The Undersheriff's office shall reply in writing within twenty (20) calendar days or the grievance shall be found in the employee's favor. Grievances over written warnings or reprimands shall not proceed past this step of the Grievance Procedure.

Step II

If no settlement is reached by the parties under Step I, the matter shall be resolved as follows.

A. *Points.*

The assessment of points shall only be grievable through Step I above. If points are used for the purposes of progressive discipline, the Lodge shall be entitled to challenge the merits of the assessment of points at a subsequent grievance proceeding, once there is discipline imposed that rises to the level of suspension.

B. *Suspensions of Thirty Days or Less.*

Step II of the grievance process for disciplinary suspensions of thirty (30) days or less shall go to the Grievance Board, hereinafter described, for determination. If the Lodge desires to pursue Step II of the grievance process, it must make such a request in writing to the Sheriff within twenty (20) calendar days after the employee receives the Employer's response under Step I. The Grievance Board for all Deputies shall be composed of one (1) duly-designated Lodge representative chosen by the Lodge and one (1) duly-designated Department representative of the rank of Captain or above, selected by the Sheriff. One additional individual shall be appointed to

the Grievance Board, who shall be selected from a panel by the Federal Mediation and Conciliation Service (FMCS) or as agreed upon by the parties. If the parties do not agree upon the selection of the third member of the Grievance Board, then within fifteen (15) working days of the Lodge's request for a Grievance Board hearing, the parties shall jointly and in writing, request the FMCS to submit a panel of seven (7) arbitrators, from which the parties shall select one individual to sit on the Grievance Board. Within fourteen (14) days after receiving such a list, the parties, or their respective designees, shall alternately strike names from the list, until only one (1) name remains, which shall be selected to sit on the grievance board. The order of striking names shall be determined by the toss of a coin. All fees, costs and expenses of retention of such individual shall be shared equally by the Lodge and by the Department. The Grievance Board authority shall be governed by Step III, Subsection 5 of this Article.

The Grievance Board shall meet promptly upon call but in any event not later than sixty (60) days after the selection of the third-party Grievance Board member, unless otherwise agreed upon by the parties. Employees serving on the Grievance Board will be compensated at their normal rate of pay while serving. Each party shall provide to the other at least ten (10) calendar days prior to any hearing before the Grievance Board a list of witnesses who may testify and a copy of exhibits, which may be offered at the hearing. Any amendments to the lists of witnesses or exhibits shall be provided in writing at least five (5) calendar days prior to the hearing. Witnesses employed by the Department shall be notified by the Department and be made available to testify. Attorneys at law shall be permitted to appear at Grievance Board hearings as a representative of each party. The deliberations of the Grievance Board shall be confidential. A majority vote of the Grievance Board shall be final and binding on the parties.

The decision shall not be arbitral for any reason.

C. Suspensions of Thirty Days or More, Demotions or Terminations.

Grievances involving suspensions of thirty (30) days or more, demotions or terminations shall proceed to mediation through the FMCS or through such other mediation process as agreed to by the parties prior to proceeding to Step III below. If the Lodge desires to proceed to this step in the grievance process, the Lodge shall make such a request in writing to the Sheriff within (20) calendar days after the employee receives the Employer's response under Step 1. Mediation must be conducted within sixty (60) (60) days of the Employer's response under Step I, unless the parties mutually agree to a longer period. If the matter is not resolved through mediation, it may proceed to arbitration if requested in accordance with Step III below.

Step III

Arbitration may be requested in the following manner:

1. Notice in writing of intent to arbitrate in disciplinary cases involving suspensions of thirty (30) days or more, demotions or terminations shall be delivered by the parties seeking arbitration to the opposing party within twenty (20) days of the mediation in Step II. . For contract interpretation grievances, pursuant to section 10.3, notice of intent to arbitrate shall be delivered within thirty (30) calendar days following the joint meeting of the parties' legal representatives. If notice of intent to arbitrate is not delivered within the time limits set out herein, the grievance shall be deemed abandoned.

2. Within fifteen (15) calendar days after the above notice is delivered, the parties will submit a joint request for a panel of arbitrators from the FMCS.

3. Within fifteen (15) calendar days after receipt of the panel of arbitrators from FMCS, the parties will alternately and independently strike unacceptable arbitrators from the list, with the last remaining arbitrator being selected.

4. Employees shall be paid for the time spent in attending an arbitration proceeding under the procedure set forth in section 7.3 of this M.O.U.

5. The jurisdiction and authority of the arbitrator shall be bound by the following.

- a. The arbitrator shall have the authority to determine the procedural rules of arbitration and shall have the ability to make such binding orders as are necessary to enable him or her to act effectively. The arbitrator shall observe the rules of evidence and his or her decision shall be final and binding on both parties.
- b. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Memorandum.
- c. In the resolution of disputes between the parties to this Memorandum, the arbitrator shall give no weight or consideration to any matter except the specific language of this Memorandum and the facts and evidence presented by the parties in the presence of each other.
- d. The arbitrator shall have no authority to substitute his or her judgment for that of the Employer, nor shall he or she have authority to usurp, subtract from, modify or exercise any management right of the Employer.

- e. In discipline or discharge matters, the arbitrator shall have the discretion to increase or decrease the discipline imposed, if the evidence so warrants.

The cost of the arbitrator shall be shared equally by the Employer and the Lodge.

Section 10.3 Contract Interpretation Grievances

An impasse in any negotiations for any Memorandum of Understanding shall not constitute a grievance. Any grievance or complaints concerning contract interpretation must first be filed in writing at Step 1 of the Grievance Process within thirty (30) calendar days after the occurrence giving rise to the grievance, or after becoming known, or shall be considered as being dropped in the Department's favor. The parties will endeavor to resolve the grievance through that process. In the event of any complaint or grievance concerning interpretation or application of this Memorandum, other than disciplinary issues, is not resolved through the informal process, the Unified Government's legal representative shall discuss with the Lodge's legal representative the question of interpretation of the Memorandum and both may choose to jointly meet with all involved parties to attempt to resolve the issue. If the parties are unsuccessful in resolving the conflict, either party may request that the matter be arbitrated as provided in Step III within thirty (30) calendar days of the joint meeting or the date the parties decide that a meeting is not beneficial.

ARTICLE 11: STRIKES

The Lodge, on behalf of its membership, recognizes that the protection of the public health, safety and welfare are of paramount importance to itself, the Department. Therefore, during the life of this Memorandum the Lodge will not condone, nor encourage nor instigate any work

slowdowns, stoppages or strikes, or any actions that are detrimental to the operations of the Department.

Any violation of this Article may be the subject of disciplinary action, including discharge.

The Lodge shall, within twenty-four (24) hours of the commencement of any of the acts prohibited herein, take all reasonable affirmative action to terminate such conduct.

**ARTICLE 12: VACATIONS - HOLIDAYS- PERSONAL DAYS - FUNERAL
LEAVE - MILITARY LEAVE - JURY DUTY - FAMILY AND MEDICAL LEAVE
LEAVE WITHOUT PAY -MATERNITY**

Section 12.1 Vacations

After completing one (1) year of service each Deputy shall be entitled to vacation pay prorated in accordance with section 12.1(c) of this article for any portion of the initial year of employment occurring before January 1st. Thereafter vacation pay shall be earned from January 1st of each year to January 1st of the next year on the following basis:

Vacation shall be given to each employee based on the Years of Service chart.

Continuous completed years	Vacation Entitlement	8 Hour Shift Employees	10.5 Hour Shift Employees (Detention Center)
One year	15 days	120 hours	157.5 hours
Five years	20 days	160 hours	210 hours
Eleven years	25 days	200 hours	262.5 hours
Nineteen years	30 days	240 hours	315 hours

Each day of vacation entitlement shall be in the same number of hours as the employee's then-assigned shift even if the employee's shift was different when the vacation entitlement was earned. Employees must have completed the requisite years of service prior to January 1 of a

given year in order to be eligible for greater vacation benefits that year. Time is calculated by the hours worked per week and divided by the number of days they are assigned to work per week. This number is then multiplied by the vacation entitlement days.

$$((\text{Hours worked per week}) / (\text{Number of days worked per week})) \times (\text{vacation entitlement days}) = \text{vacation hours per year}$$

For example, a first-year detention deputy who works 42 hours per week on 4 days per week accrues 157.5 hours of vacation time per year.

$$(42 \text{ hours worked per week} / 4 \text{ days worked per week}) \times 15 \text{ vacation entitlement days} = 157.5 \text{ vacation hours per year.}$$

When a deputy transfers between 12-hour and 8-hour shifts, leave banks are converted to reflect the deputy's current assignment.

a) Scheduling

The vacation period and schedule of vacations of each qualified employee shall be set by seniority, desire, and preference of the employee, consistent with efficient operation of the Department, for the employee's first three vacation choices made during the annual vacation bid which shall occur prior to February 15th of any given year. Each of the three vacation choices may last up to seven (7) days. In the event an employee bids to another position or assignment after February 15th of any given year, he shall not be entitled to exercise seniority for a preferred vacation. Whenever possible, requests for days off using single vacation days, comp time, or holidays shall be responded to no later than forty-eight (48) hours after the request has been submitted. If the requesting employee is not on duty, it will be the responsibility of the requesting employee to contact the Department for confirmation of denial or approval of the day off requested.

b) Exceptions

Employees shall not accrue vacation time while on unpaid leave of absence, lay-off, suspension or while absent due to an injury or illness unless they are on approved sick leave. In

the event an employee is absent from work on an authorized leave of absence, or on lay-off status or due to a non-work related illness or injury for which he is not on approved sick leave, his vacation pay shall be reduced pro rata to the portion of the year he earned and was eligible for vacation privileges.

*c) **Pro-Rata Vacation***

For the purpose of computing vacation pay, an employee shall earn one twelfth (1/12) of his vacation pay for each month of service during the twelve (12) month period preceding January 1st of each year. Each month in which an employee works one-hundred ten (110) hours shall be considered a month of service. Employees who are discharged prior to taking their vacation shall not forfeit any right to vacation or vacation pay. Vacation time shall normally be taken in the calendar year in which the vacation falls.

*d) **Vacation carryover***

Employees may carry over up to thirty days of accrued and unused vacation each year, but the total accumulated carried over vacation days shall not exceed thirty days. Those employees who have accumulated more than thirty (30) carryover vacation days as of December 31, 2009 shall be permitted to carry over those vacation days in excess of thirty (30) from year to year however, those employees shall not be permitted to accumulate any additional carryover vacation days until their total number of carryover vacation days is less than thirty (30). Those employees hired prior to January 1, 2016 who have accumulated less than thirty (30) vacation days may accumulate up to thirty (30) vacation days. Those employees hired on or after January 1, 2016 shall not be permitted to carry over a vacation leave time bank in excess of twenty-six (26) days of accrued vacation leave from any one (1) year to the next.

e) **Vacation Buy-Out**

Employees shall be paid for accrued, unused vacation pay standing to their credit at the time of their departure from the Department. In the case of death of any employee for any reason, such payment shall be paid to the person or persons designated as that employee's beneficiary or beneficiaries under the Kansas Police and Fire Retirement System or KPERS.

f) **Scheduling**

Employees will annually bid for vacation between January 15th and February 15th for any dates through February 15th of the following year.

When bidding for vacation time between January 15th and February 15th, Department seniority will only apply when scheduling the first three choices of vacation time for each employee. A choice of vacation time is defined as a contiguous block of time uninterrupted other than by holidays and/or regular days off. Vacations or holidays scheduled after February 15th, for any dates through February 15th of the following year, will be on a first come first served basis. Vacation calendars must be posted after February 15th in an area open to inspection by all Deputies.

Section 12.2 Sick Leave

a) **Entitlement**

A permanent employee hired prior to January 1, 2016 shall accumulate sick leave with pay; at the rate of one and one fourth (1 1/4) calendar days for each calendar month of service. All permanent employees hired on or after January 1, 2016 shall be allowed leave with pay due to sickness or non-duty related injury at a rate of one (1) calendar day for each calendar month of service. Each sick day taken will be in the same number of hours as the employee's then assigned

shift even if the employee's shift was different when the sick leave entitlement was earned. Sick leaves shall not accumulate during general leaves of absence, educational leaves, military leaves, suspension or layoff. Employees must actually work or be credited with working at least one hundred and ten (110) hours per month in order to accumulate the sick leave entitlement for that month.

b) Limitation on Accumulation

There shall be no limit on the number of sick days that an employee may accrue.

c) Transferred Employees

When an employee is transferred to another department of the Unified Government, any unused sick leave that may have accumulated to his credit shall continue to be available for his use, as necessary.

d) Termination

Upon an employee's voluntary resignation, termination for just cause or layoff in excess of three (3) years, any accrued, unused sick leave shall be forfeited.

e) Retirement or Death

Employees hired before January 1, 2016 who retire or who are killed in the line of duty shall receive regular straight time compensation for any accumulated unused sick leave, but not to exceed one hundred twenty (120) calendar days and such compensation shall not exceed four months base pay. Employees hired on or after January 1, 2016 who retire shall receive regular straight time compensation for fifty percent (50%) of accumulated unused sick leave, but such compensation shall not exceed two (2) months base pay. Thirty days of accumulated sick leave

shall be used for each one (1) months equivalent pay. If an employee has less than the referenced number of accumulated sick leave days, he shall receive the pro-rated one-thirtieth (1/30) of one (1) months pay for each day of accumulated sick leave existing at that time. If an employee is killed in the line of duty, his heirs under KP&F or KPERS retirement systems shall be entitled to receive pay for all accumulated sick leave the deceased employee had on the books at the date of his death.

*f) **Use Provisions***

Use of accumulated sick leave by an employee or payment to an employee of paid sick leave shall be subject to the following rules:

1. Sick leave may only be used for the purposes for which it was intended, that being to provide an employee with protection against a loss of pay due to an actual illness. Sick leave may be utilized for maternity leave or physical or mental illness.
2. The granting of sick leave shall be at the determination of the Sheriff or his designee
3. The employee shall not be entitled to receive paid sick leave unless he has notified his immediate supervisor of his illness before such paid sick leave is due to begin, unless the delay of such notification can be shown to be unavoidable.
4. The Employer shall have the right to have made, from time to time, by its physician at its expense, such examination as it may deem necessary to ascertain an employee's condition during his illness.

5. Any employee who is absent for three (3) or more consecutive work days due to illness or off-duty injury, may be required to furnish to the Sheriff or his designee a certificate from a duly licensed physician, stating clearly the nature of the illness or injury and the probable length of time it will be necessary for the employee to be absent due to such illness or off-duty injury.

6. If a Detention Deputy, within any twelve (12) consecutive month period, has used eight (8) or more sick leaves or if any Deputy assigned to any other division within any twelve (12) consecutive month period has used five (5) or more sick leaves immediately before or immediately after his regular days off or any other days off, he shall be classified as an excessive user of sick leave and shall be so classified for a period of twelve (12) months. The employee shall be notified in writing within thirty (30) days that he is placed in this category, with a copy directed to the Lodge. When an employee is so classified, he shall be subject to the following rules concerning use of sick leave:

a) On the day the employee returns from sickness the employee shall furnish a statement from a Medical Doctor (M.D.) or licensed Nurse Practitioner to the Sheriff or his designee. The statement shall contain the physician's report as to the cause for the employee's absence and the physician's statement that the employee was unable to work on the day that he was absent.

b) When an employee is absent from work for four (4) hours or less for a prearranged doctor's appointment, and utilizes sick leave, it shall not be considered an

occasion of sick leave for the purpose of identifying excessive users, provided that the physician's statement satisfactorily verifies the employee's attendance at the appointment.

c) If the employee does not furnish a physician's statement, as provided herein, he shall be subject to the following discipline:

- i.) 1st offense - three (3) work day's suspension without pay;
- ii) 2nd offense - five (5) work day's suspension without pay;
- iii) 3rd offense - termination.

7. If a Detention Deputy uses sick leave on eight (8) or more occasions within any twelve (12) consecutive month period or any Deputy assigned to any other division within any twelve (12) consecutive month period has used five (5) or more sick leaves immediately before or immediately after his regular days off or any other days off, he may be notified by the Sheriff or his designee that he is placed on excessive sick leave status for the next twelve (12) months. If the officer uses sick leave on twelve (12) or more occasions during this second twelve (12) month period, he may be subject to termination.

8. Employees on sick leave are prohibited from being gainfully employed by any employer other than the Unified Government or from being gainfully self-employed.

9. Employees may be allowed to donate sick time to other employees in the Wyandotte County Sheriff's Department who have a catastrophic or disabling personal or

immediate family illness. Immediate family is restricted to individuals currently defined as such by the FMLA. Employees must have at least one hundred (100) hours remaining after donating to participate. Employees may donate up to forty (40) hours at a time. Sick time hours donated will not be converted into any other form of compensation and donated sick time will not be paid upon separation from employment by the officer receiving the donated time. All other accrued leave and/or time must be exhausted before donated time can be used. Donated sick time shall not be deducted from the donating employee's sick leave time bank until the recipient of such donated sick leave actually uses the donated leave. Employees who have been disciplined for being in violation of the employer's sick leave policy within the previous twelve (12) months of the dated request shall not be eligible to participate in the process. Employees on disability are not eligible to receive donated sick time. The eligibility of an employee to receive donated sick time will be at the discretion of the Sheriff. The maximum number of donated sick leave hours is fifteen months.

10. Records of Sick Leave

It shall be the duty of the Department to keep a permanent record of sick leave and each employee's accumulation and use of sick leave.

11. Use of Sick Leave at Separation

Sick leave shall not be used for the purpose of extending the length of employment beyond the final day of work except when an employee is awaiting approval of a disability retirement under KP&F OR KPERS.

12. Bonus Days

Employees not using any sick leave or injury leave from January 1 through June 30 of any calendar year shall receive one (1) extra day off with pay the following year. Employees not using any sick leave or injury leave from July 1st through December 31st of any calendar year shall receive one (1) extra work day off with pay the following year. Such day may be taken by the employee, schedule permitting and with approval of his or her supervisor. Bonus days taken will be in the same number of hours as the employee's then assigned shift, even if the employee's shift was different when the bonus days were earned.

Section 12.3 Holidays

Employees shall receive one (1) day off with pay in compensation for the following holidays:

New Year's Day	Memorial Day
Presidents' Day	Independence Day
Martin Luther King Jr. Day	Labor Day
Spring Holiday	Veterans' Day
Thanksgiving Day	Day After Thanksgiving
Christmas Day	

Employees shall, in addition to the above holidays, receive all other holidays declared to be such by the Unified Government's Board of Commissioners for the benefit of other Unified Government employees. Holidays taken will be in the same number of hours as the deputy's then assigned shift even if the employee's shift was different when the holiday was earned.

Deputies whose shifts do not allow them the actual holidays off may accumulate holidays as long as they do not bank more than sixteen (16) days at any time. At no time during the year will an employee's holiday time bank be credited with any holidays beyond sixteen (16) days. If an employee has sixteen (16) days in their holiday time bank, any additional holidays earned pursuant to this section shall result in a forfeiture. If an employee wishes to avoid such a forfeiture, it is the responsibility of the employee to manage his or her own time bank.

During each calendar year, employees may elect to "cash in" any holidays in their holiday time bank as of November 31st which are in excess of five (5), up to a limit of eleven (11) days which shall be paid at the employee's normal rate of pay effective on December 1st of that year. This payment shall be made during the first pay period of December.

After the buyback is completed, there shall be no more than five (5) holidays in the employee's bank, which may be carried over into the following year. If any employee has more than sixteen (16) days in their holiday bank, the employee is responsible for using those holidays before December 1st, or they shall forfeit those holidays in excess of five (5) which are not paid out in the annual buyback.

Section 12.4 Personal Days.

Personal Days must be preapproved by the shift commander, except that the shift commander may permit an employee to use personal leave without notice in the case of an emergency. Employees may annually convert up to five (5) days of sick leave to personal days. Personal leave shall be deducted from the employee's accrued sick leave. Unused personal leave continues to accrue in the form of sick leave (not personal leave) and within the guidelines for accrual of sick leave. Personal days taken will be in the same number of hours as the employee's

then assigned shift even if the employee's shift was different when the personal day was earned. Nothing herein would preclude the shift commander or his designee from verifying the emergency that the employee is citing as the need for the use of a personal day when the personal leave is used for an emergency and was not pre-approved.

Section 12.5 Leaves of Absence

Leaves of absence described in this Section 12.5 shall be without pay unless specifically stated or mandated by law that the leave is to be with pay.

1. General Leaves of Absence.

Any general leave of absence which shall be granted is the decision of the Sheriff. The maximum general leave of absence shall be for thirty (30) calendar days, but the Sheriff may extend such leave in writing for a period of up to ninety (90) calendar days. Any employee desiring a general leave of absence shall submit a written request to the Sheriff stating the reason for such request, at least seven (7) days prior to the commencement of the requested leave, except in cases of emergency. Before an employee may take a general leave of absence, written permission must be obtained from the Sheriff with notice to the Lodge. The time an employee spends on general leave of absence shall not be counted as time worked in determining any benefits under this Memorandum. Failure to report at the end of a general leave of absence will be considered a voluntary resignation on behalf of the employee. If an employee on a general leave of absence obtains other employment with a law enforcement agency while on such leave, his or her Unified Government employment will be automatically terminated and the employee will have no recourse whatsoever under this memorandum.

2. Educational Leave

Educational leaves, not to exceed twelve (12) months, may be granted without pay to an employee. Requests shall be submitted in writing and must be approved by the Sheriff. The time an employee spends on educational leave shall not be counted as time worked in determining any benefits under this memorandum.

3. Parental Leave.

A leave of absence for parental leave shall be granted in accordance with the family and medical leave act (FMLA) or other applicable state or federal law.

4. Military Leave.

Any employee who voluntarily or involuntarily enters active duty in any branch of the military service, including all guard and reserve units of the armed forces of the United States, may be granted a military leave of absence without pay in accordance with applicable federal and state law. Any employee who is a member of the National Guard or any other component of the military reserve may be granted a leave of absence without pay to meet his military obligation in accordance with federal and state law. Military obligation means required annual training events, camps and meetings and may or may not, in accordance with applicable federal or state law, include camps and training sessions attended voluntarily. In either case, such employee shall comply with existing federal and state law and regulation and shall comply with Unified Government procedures in requesting such leave and upon his separation from the service he or she shall be entitled to such benefits accruing to him or her under existing federal or state laws and regulations. An employee on military leave shall report for duty with the Unified Government within ninety (90) days of his separation from service on his initial tour of duty or he will be

considered as having resigned voluntarily. Neither sick leave, holidays nor vacation time shall accrue during military leave.

5. Funeral Leave.

Each employee shall have, in the event of a death in his or her immediate family, three (3) consecutive calendar days off with pay, one of which shall be the day of the funeral. The employee may be granted one (1) additional day off with pay for each five hundred (500) miles he or she must travel. The term “immediate family” shall include the employee’s spouse, child, step-child, parent, step-parent, parent of a spouse or domestic partner, daughter-in-law, son-in-law, sister, brother, sister-in-law, brother-in-law, grandchild, great grandchild, grandparent, grandparent of a spouse, great grandparent, great grandparent of a spouse, and any other relative who lived in the employee’s home immediately prior to the date of the death. The Sheriff, at his discretion, may grant funeral leave to an employee to attend the funeral of other relatives, or extend the funeral leave.

ARTICLE 13: PROMOTIONS

Section 13.1 Promotional eligibility, process and selection

In order to be eligible for promotion a Deputy must have completed at least four (4) continuous years of service with the Department as a Deputy immediately prior to the promotion and must have successfully completed the Department's PRIDE Academy. Even if not eligible to promote on the testing date, a Deputy will be qualified to test for a promotion if the Deputy will have completed at least four (4) continuous years of service with the Department as a Deputy within three (3) years of the testing date. However, the Deputy will not be eligible to promote from the promotion list until the Deputy has completed four (4) continuous years of service as a Deputy in the Department and has successfully completed the Department's PRIDE Academy. If a Deputy that is otherwise eligible to promote but, although currently enrolled in PRIDE Academy, has not yet successfully completed PRIDE Academy, the Sheriff may assign that Deputy to serve as a permanent Acting Sergeant or Acting Detective until that Deputy has successfully completed PRIDE Academy.

If an employee that submitted a promotional packet is disqualified for any of the above reasons, the Undersheriff shall write a letter indicating the disqualifier(s). That letter shall be placed in the employee's file and a copy shall be made available to that employee upon request.

d) Promotional Process.

1. ***Written Examination.***

Each candidate must take a written examination prepared in compliance with federal equal opportunity standards. The test shall be compiled by the Sheriff and/or his designees. The purpose of the examination shall be to determine the candidate's suitability for the rank or position sought. The written examination shall be governed by the following:

- a. The written exam shall consist of one hundred (100) questions. These questions shall test the candidate's knowledge of the Sheriff's Office Lexipol Policy Manual and the Detention Center Standard Operating Procedures ("SOPs"). The ratio of questions addressing GOs versus SOPs shall be agreed upon by the Sheriff and the Lodge.
- b. All examinations for promotion shall be administered on the same day when possible.

- e. The following steps, Section 13.1(d) 2-6, of the promotional process apply only to those candidates who receive a score of seventy percent (70%) or more on the written exam.

2. *Staff Evaluations of the Attribute List.*

Staff evaluations of the attribute list shall be performed by a panel of three (3) sworn members of the Department. Two (2) of those panel members shall be selected by the Lodge. Those panel members selected by the Lodge shall be supervisors of the candidate, one (1) of which would preferably be a direct supervisor. The third panel member shall be selected by the Sheriff. Each panel member shall use an attribute list that the Lodge and Department have agreed upon and which contain attributes that both the Lodge and Department agree are applicable to the position at issue. Each panel member shall score the candidate for each attribute, which will render a total score by that panel member. Those three (3) panel members' scores shall then be averaged and that average score shall be added to the candidate's final score for the promotional process.

3. *File and Resume Review.*

This part of the process shall be performed by a panel of two (2) sworn staff members agreed upon by both the Sheriff and Lodge President. The candidate's employee file and promotional packet, submitted by the candidate, shall be reviewed and scored as follows:

- a. Each candidate shall begin with twenty-five (25) total points. The panel members shall utilize a score card, agreed upon by the Department and the Lodge, which contains a list of items for which the candidate shall receive point deductions and additions. A designated value is assigned to each item.
- b. For each item in the deduction category, the panel may only reference the three (3) year period preceding the promotional testing date.
- c. For each item in the addition category, the time frame is unlimited.

d. Only one form shall be used in scoring this part of the process. Thus, the panel members must agree on each addition and deduction.

e. The net value of the twenty-five (25) points the candidate begins with, minus the total deductions, plus the total additions, shall be the score that is added to the candidate's final score for the promotional process provided, however, that the maximum score a candidate may add to his or her final score from this File and Resume Review step of the process is fifty (50) points. Thus, if a candidate's net value from this step of the process is greater than fifty (50) points, fifty (50) points, and not that greater net value, is the value that will be added to his or her final score in this promotional process. Likewise, if a candidate's net value from this step of the process is less than zero (0), a score of zero (0) is the value that will be used for the candidate for this step of the promotional process. There will be no negative value scores used for any candidate in this step of the promotional process.

4. *Oral Interviews.*

Oral interviews shall be conducted by a panel of three (3) sworn members of the Department. This panel shall be comprised of two (2) Captains or above and one (1) Sergeant or Detective, depending on the position at issue. The panel members shall be mutually agreed upon by the Sheriff and the Lodge President. Each panel member shall separately score the candidate. Those three (3) scores shall then be averaged. The average score that the candidate receives from the oral interviews shall be added to the candidate's final score for the promotional process.

5. *Scoring*

A candidate's final overall score for the promotional process shall be the combined total of each score from items 1-4, above.

6. *Selection*

The candidates' final scores for the promotional process shall be submitted to the Sheriff. The list submitted to the Sheriff shall contain each candidate's name, date of hire, date of current rank, the candidate's score for each aspect of the promotional process and the candidate's final total score from the promotional process. A candidate may be required to participate in a leadership assessment or any other instrument or interview, at the discretion of the Sheriff. The selection of the candidate(s) to be promoted shall be done at the sole discretion of the Sheriff. The Sheriff shall not be bound by the ranking of the candidates' final promotional scores.

e. Promotion Eligibility List.

Separate eligibility lists shall be established for those seeking promotion to the ranks of Detective, Sergeant and Captain. The list shall be valid for a period of three (3) years or until a new promotion eligibility list is published by means of a new promotional process, whichever occurs first. Each list shall be published and posted in prominent places in the Department and a copy of each list shall be provided to the Lodge within ten (10) days of its promulgation. The Sheriff will make his selection for promotion only from the eligibility list.

f. Detective

Eligibility, disqualifiers, the promotional process and selection for Detective shall be identical to 13.1(a)-(e), above.

g. Captain

1. Eligibility.

In order to be eligible for promotion to Captain a Detective or Sergeant must have completed four (4) years of continuous service in the Department, three (3) continuous years in grade as a Detective or Sergeant in the Department and completed the Department's PRIDE Academy. Even if not eligible to promote on the testing date, a Detective or Sergeant will be qualified to test for a promotion if the Detective or Sergeant will have completed at least four (4) continuous years of service with the Department and three (3) years in grade as a Detective or Sergeant in the Department within three (3) years of the testing date. However, the Detective or Sergeant will not be eligible to promote from the promotion list until the Detective or Sergeant has completed four (4) continuous years of service in the Department, three (3) continuous years in grade as a Detective or Sergeant in the Department and successfully completed the Department's PRIDE Academy. If a Detective or Sergeant that is otherwise eligible to promote but, although currently enrolled in PRIDE Academy, has not yet successfully completed PRIDE Academy, the Sheriff may assign that Detective or Sergeant to serve as a permanent Acting Captain until that Detective or Sergeant has successfully completed PRIDE Academy.

3. Promotional Process

The promotional process and selection for Captain shall be identical to 13.1(d)-(e), above, with the exception that the oral interview panel under 13.1(d)(4) shall consist of three (3) Captains or above, selected by the Sheriff or his designee.

An employee recalled to a sworn position shall report to work within fourteen (14) calendar days of receipt of notice of his recall or he shall forfeit all seniority rights and all future recall rights. A. Employee Premium.

Each covered employee shall make monthly medical plan premium payments for either Single or Family coverage elected according to the following schedule, provided that in 2019 the following monthly premium contribution amounts shall be annually adjusted at the same percentage increase or decrease as would be applicable to any adjustment to the dependent coverage premium for Family coverage during any plan year:

Annual Base Pay	Monthly Premium Contribution
\$30,000 or less	\$10.00 per month
\$30,001 - \$60,000	\$20.00 per month
\$60,001 or more	\$30.00 per month

For purposes of the foregoing schedule, “Base Pay” is calculated solely upon an employee’s then applicable hourly rate of pay or monthly salary as projected over the course of a year assuming full time employment. “Base Pay” shall not include any overtime, out of class, longevity or interpreter’s pay. The Unified Government shall pay the remainder of each covered employee’s monthly medical plan premium that is also adjusted annually based on an equal percentage as for employee premiums for the least expensive medical plan provided or administered by a major reputable carrier recommended by the Joint Committee and approved by the Unified Government Administrator.

B. Family Premium.

Employees electing to obtain dependent coverage under a Family coverage election under the medical plan(s) will pay 25% of the premium cost of the dependent portion of Family coverage in addition to any applicable employee premium cost discussed in subsection A above, and the Unified Government shall pay the remaining contribution cost for the least expensive medical plan provided or administered by a major reputable carrier recommended by the Joint Committee and approved by the Unified Government Administrator.

The UG Employee Health Benefit Committee (EHBC) shall meet and confer in an attempt to make recommendations to the UG Administrator for modifying the polic(ies), carrier(s), administrator(s), plan design(s), benefits, contribution formula or other variables to reduce the projected cost increase to fourteen percent (14%) or less for the next budget year. The Union shall have one voting member on the EHBC. The EHBC shall have at least an equal number of voting members from representatives of bargaining units of the UG as members from unrepresented groups, administrative staff and retirees. If the EHBC recommendation is deadlocked, then the UG Administrator shall make the determination and the Union (FOP 40) has the right to submit the matter to expedited arbitration. When the EHBC determines what its recommendations are to be to the UG Administrator, the UG Administrator shall then determine whether he or she agrees with those recommendations or not. If the UG Administrator agrees, the recommendation

modifications shall be immediately adopted. If the UG Administrator disagrees with the EHBC recommendations, the UG Administrator shall notify the EHBC of such determination. If the UG Administrator and EHBC cannot immediately resolve their differences, the matter shall be submitted to expedited arbitration. The arbitrator only has jurisdiction to determine if the UG Administrator's or the EHBC's recommendations are correct in determination of the method of modifications of carrier(s), plan(s), benefits, etc. in order to keep the UG's projected cost for the medical, dental or other similar welfare benefit plan for each year from exceeding the preceding year(s) by fourteen percent (14%). The factors used to determine costs for any one year of this Memorandum shall be as follows:
